Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is an intent to apply for the SAMHSA Treatment Drug Courts grant through Health and Human Services/SAMHSA.

If awarded, this grant will benefit the County by providing participants support to help them overcome their substance abuse issues and the opportunity to become productive, drug free members of their communities through the enhancement of the Sixth Judicial Circuit Court's adult drug and/or family treatment program(s), allowing for the continued enhancement of treatment and support services for individuals involved in the criminal justice system who have substance abuse issues.

This grant will be multi-year and single-departmental, which will likely impact Fiscal Years 2025, 2026, 2027, 2028, and 2029. Human Services has already coordinated with Health and Human Services/SAMHSA.

This grant will be administered by Human Services in close coordination with Health and Human Services/SAMHSA

The total application amount is \$2,000,000.00 with \$0.00 match required. There are no other funding sources associated with this project, which will complete the total project budget of \$2,000,000.00

This is not budgeted and would likely require a future budget amendment.

Based on the thresholds for delegated approval, this grant application will require Director approval to apply.
