Description & Comments
(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)
<p>The St. Pete-Clearwater International Airport (PIE) is seeking approval of ranking of firms and agreements with four firms for the requirements of PIE for continuing professional engineering consulting services on a task order basis. This contract will allow \$1,500,000.00 per vendor for a total of \$6,000,000.00 for a term of five years.</p> <p>These agreements will be used on an as-needed basis for various projects with no obligation to spend the full contract or to spend in any given year. Funding for this agreement is budgeted in the FY26-FY31 Capital Improvement Plan (CIP) with the Airport Revenue and Operating Fund as the primarily funding source, which could include Airport Funds, state and local grants, and charges.</p> <p>In the event that future fiscal year funding is not available, the County maintains the authority to terminate this agreement.</p>
