Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This Agreement is for law enforcement services at environmentally sensitive lands, preserves, and waterways, including Brooker Creek Preserve, Weedon Island Preserve, and the waters in and around Ft. De Soto Park and Shell Key Island. The service period is October 1, 2025 through September 30, 2026 unless extended, terminated or modified by both parties.

The FY26 total agreement amount of \$397,430.00 increases \$10,200.00, or 2.6%, from FY25 (\$387,230.00). This annual cost is not a direct expense in the Parks and Conservation Resources (PCR) budget. The total \$397,430.00 is included in the FY26 Proposed General Fund Budget for the Pinellas County Sheriff's Office (PCSO) Environmental Lands Unit. Every year, during the County's year-end fiscal closing process, the General Fund is reimbursed from the Water Revenue and Operating Fund for the portion of cost associated with Utilities Department land at the Brooker Creek Preserve. The cost share split for FY26 is \$91,408.90 (23.0%) from the Utilities Department, leaving a net cost of \$306,021.10 (77.0%) to the General Fund.

This total expense is included in the FY26 Proposed Budget for the Sheriff's Office (General Fund) and the Utilities Department (Water Revenue and Operating Fund).
