**Description & Comments**

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This item is a donation agreement between Duke Energy Florida, LLC (Duke) and Pinellas County. Duke agrees to donate \$500,000.00 to the County to assist the County with construction of a pedestrian bridge in Raymond H. Neri Community Park, located in Lealman.

This is a voluntary donation from Duke and does not require a County match. The Pinellas County Parks and Conservation Resources Department plans to construct the pedestrian bridge as a sub-project of the Renovation and Replacement of Park Structures program, project 003772A. The Renovation and Replacement of Park Structures program, project 003772A, is budgeted in the proposed FY26-FY31 Capital Improvement Program (CIP), as well as the approved FY25-FY31 CIP plan, and funded by Local Infrastructure Sales Surtax (Penny for Pinellas). The estimated cost of the pedestrian bridge for Raymond H. Neri Community Park is \$500,000.00. Duke is to provide the County payment of \$500,000.00 within 60 days of County approval.

\*This donation is not yet reflected in the project budget but the revenue may be recognized via amendment at a later date, if approved.

\*\***8. Annual Appropriation.** Nothing contained herein shall be construed as a County covenant to budget and appropriate for improvements beyond the current fiscal year.”
