Re: Case No FLU-23-05 – Tier 2 Amendment Review

Dear Mr. Blanton,

On October 31, 2023, the Board of County Commissioners held a public hearing to consider the above referenced amendment to the Future Land Use Map of Pinellas County, declared an intent to approve, and authorized transmittal to the Pinellas Planning Council for action to amend the Countywide Future Land Use Plan as necessary to maintain consistency with said Plan. We anticipate the amendment to be Tier 2. Attached for Council's review are the requested application forms and supporting case materials.

Please schedule the attached amendment(s) at the earliest convenient time for review by the Council and notify us as to the hearing date. If you need additional information regarding our request, please feel free to call me at 727-464-5638.

Sincerely,
