Full Legal Organization Name (Required)	Palm Harbor Little League
Street Address (Required)	1631 9th Street, Palm Harbor, FL 34683
City (Required)	Palm Harbor
State (Required)	FL
Zip Code (Required)	346
Organization Website (URL)	https://www.palmharborlittleleague.com/default.aspx?portalid=2622
Organization President / Executive Director (Required)	Dan Abramowitz
Title (Required)	President
Phone Number (Required)	904-655-4481
Email Address (Required)	dan.abramowitz@palmharborlittleleague.com
501(c)(3)? (Required)	Yes
Registered in Florida? (Required)	Yes

Year Established (Required)	1990
Total Organization Annual Budget (Required)	24,000
Taxpayer / Employer ID # (Required)	59-3452280
Brief Description of Organization and It's Mission (approx. 600 characters) (Required)	We are a little league in Palm Harbor. Our mission is to bring an enjoyable experience to kids and hope they love the game of baseball.
Project Name (Required)	SunShade
Requested Program Budget (Required)	20,000
Community Need: Describe the problem or need to be addressed by this project. (Required)	There is very little shade at the sunderman complex. We would like to put up three shades to enhance the experience for all tax payers and bring more events to the park. We would like to put a shade at the concession stand for fans, parents, and kids to enjoy a meal out there and might encourage them to stay longer. We also would like to put two other shades in the complex. One at the softball field and one at the T Ball Field. There is currently no shade for parents, fans, or players in that area other than a dugout for softball. We want to make sure people are protected from the hot sun. This will enhance the overall park and game experience for everyone.
Project Summary: Describe how the project will be fully implemented and how it will address the need or gap in the community. Identify and describe other	We will hire a specialist to make 5 awnings for the 3 areas needing coverage. They will order the product. This should take 8-10 weeks. Then will come and install. Once installed this again will provide shade in a community park that has very little shade. We are asking for the max grant and will use some of other savings the league has accumulated through concessions. We think the total cost for the project will be between 25-35k. I have attached quotes.

funding sources, if any, for this project/program. (Required)

Program Outcomes: Describe the timeline by which the project will be implemented including short-term and long-term results. (Required)

Short and long term are aligned here. It provides more shade in a park for taxpayers and the community to use and enjoy. Especially in the hot Florida sun where there are many health risks and increases for skin cancer.

Describe how your project aligns with the County's Strategic Plan: (Required)

This will hit on all of the strategic goals above. Please see benefits to community and health risks that it saves above in other questions. Thank you for the consideration.
