# NOTICE OF AMENDMENT OF COUNTYWIDE PLAN MAP

The Pinellas Planning Council (PPC) and the Board of County Commissioners acting pursuant to its Countywide Planning Authority (CPA), will conduct public hearings on proposed map amendments to the Countywide Plan Map, pursuant to the Countywide Plan, as amended, and as set forth in the listing below.

**The PPC public hearing will be held on Wednesday, January 13, 2016, at 3:00 P.M. or as soon thereafter as the agenda permits.**

**The CPA public hearing will be held on Tuesday, February 9, 2016, at 9:30 A.M.**

Both public hearings will be held in the Board of County Commissioners Assembly Room, 5th Floor, Pinellas County Courthouse, 315 Court St., Clearwater, FL. The PPC will make a recommendation to the CPA on the proposed amendments, or to other plan categories as determined appropriate in accordance with Chapter 2012-245, Laws of Florida, as amended, and the Countywide Plan.

Listing of proposed Countywide Plan Map amendments to be heard by the PPC and CPA:

### Case CW 16-1 – Submitted by Pinellas County – 4.9 acres m.o.l.

From: Residential Low Medium  
To: Residential Medium  
Location: 13101 South Belcher Road

The current Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre. The proposed Residential Medium category is used to depict areas that are primarily well-suited for medium-density residential uses at a maximum density of 15 dwelling units per acre.

### Case CW 16-2 – Submitted by Pinellas County – 2.1 acres m.o.l.

From: Public/Semi-Public  
To: Retail & Services  
Location: 5825 68th Street North

The current Public/Semi-Public category is intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds established in other plan categories, and which are consistent with the need, character, and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features. The proposed Retail & Services category is used to depict areas developed with a mix of businesses that provide for the shopping and personal service needs of the community or region, provide for employment opportunities and accommodate target employment uses, and may include residential uses as part of the mix of uses.

### Case CW 16-3 – Submitted by City of Clearwater – 0.2 acres m.o.l.

From: Residential Low Medium  
To: Office  
Location: 2727 Daniel Street

The current Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre. The proposed Office category is used to depict areas that are developed, or appropriate to be developed, with office uses, low-impact employment uses, and residential uses (subject to an acreage threshold), in areas characterized by a transition between residential and commercial uses and in areas well-suited for community-scale residential/office mixed-use development.

### Case CW 16-4 – Submitted by City of Largo – 9.2 acres m.o.l.

From: Employment & Target Employment Center  
To: Public/Semi-Public & Target Employment Center  
Location: 1551 Starkey Road

The current Employment category is used to depict areas that are developed with, or appropriate to be developed with, a wide range of employment uses, including primary industries (i.e., those with a customer base that extends beyond Pinellas County), allowing for flex space, and for uses that have minimal external impacts. The proposed Public/Semi-Public category is intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds established in other plan categories, and which are consistent with the need, character, and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features. The current and proposed Target Employment Center category is an overlay used to depict those areas of the county that are now developed, or appropriate to be developed, in a concentrated and cohesive pattern to facilitate employment uses of countywide significance.

The details of the proposed amendments are available at the office of the PPC, 310 Court St., 2nd Floor, Clearwater, FL, 33756-5137. In addition, you may call the PPC at (727) 464-8250 or email your questions to [mcrawford@pinellascounty.org](mailto:mcrawford@pinellascounty.org). Interested parties are invited to attend the hearings to present facts or express views on the cases outlined in this advertisement.

The public is hereby advised that the effect of any proposed amendment may significantly impact the type and intensity of use of the subject property and may be of interest to neighboring property owners. The PPC will make an advisory recommendation to the CPA for approval, approval with modification or conditions, denial, denial with alternative recommendations, or continuance of the items. The recommendation by the PPC and the action of the CPA may amend the Countywide Plan Map from the existing plan category to the proposed plan category as referenced above for the amendment, or to another plan category as may be determined appropriate based on the public hearings and consistent with the Countywide Plan and procedures related thereto.
