Sitting as the Emergency Medical Services Authority, issue a renewal Certificate of Public Convenience and Necessity (COPCN) for each wheelchair/stretchers van transport provider on the attached listing.

- The current certificates expire on June 30, 2025.
- The six firms on the attached list have completed a renewal application and meet the Authority's requirement to operate as a non-medical wheelchair/stretchers van transport business.
- Three of the six firms have applied to render both wheelchair and stretchers van services.
- If approved, the renewal COPCNs will expire on June 30, 2026.
- This item has no fiscal impact. Staff administration of the process is included in the annual operating budget for the EMS Fund.
- Vehicle inspections are performed annually, prior to issuing COPCN, and records are kept on file.
- The County has transitioned from a paper application to a new electronic system, and all providers have met the requirements.
