NARRATIVE EVALUATION (optional)

What would you identify as the Administrator's strength(s), expressed in terms of the principal results achieved during the rating period?

Barry is quick to respond to a text or a phone call which is very important to me. He has a finely tuned sense of urgency and is not at all paralyzed by indecision. He is able to balance cautious and thoughtful consideration with a sense of moving from idea into action.

What constructive suggestions or recommendations can you offer the Administrator to enhance performance?

Thus far I continue to be pleasantly surprised by how quickly he will address a question and how thoughtful and practical it will be – that said, the inability to at least get workshops scheduled as it relates to matters that are critical to our citizens is fast becoming a true emergency as well as causing enormous anxiety and frustration for our citizens.

What comments do you have for the Administrator (e.g., priorities, expectations, goals, or objectives) for the new rating period?

1. Must have workshops on transportation funding and solutions. This is not an option.
2. Continue to empower staff and let them excel.
3. Attend FAC and NACO
4. Find opportunities to promote from within when possible.

Thank you for providing feedback.
