HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. The funds for this award are sub-accounted in the Payment Management System (PMS) and will be in a P type (sub accounted) account. This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. If your organization previously received a grant under this program, it was in a G type (cash pooled) account designated by a PMS Account Number ending in G or G1. Now that this grant is sub accounted the PMS Account Number will be changed to reflect either P or P1. For example, if the prior year grant was in payee account number 2AAG it will now be in 2AAP. Similarly, if the prior year grant was in payee account 2AAG1, the grant will be in payee account 2AAP1. The P sub account number and the sub account code (provided on page 1 of this Notice of Award) are both needed when requesting grant funds.
You may use your existing PMS username and password to check your organizations P account access. If you do not have access, complete a PMS Access Form (PMS/FFR Form) found at: <https://pms.psc.gov/grant-recipients/access-newuser.html> and send it to the fax number indicated on the bottom of the form. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at: <https://pms.psc.gov/find-pms-liaison-accountant.html>.
2. As required by the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109–282), as amended by section 6202 of Public Law 110–252, recipients must report information for each subaward of \$25,000 or more in Federal funds and executive total compensation, as outlined in Appendix A to 2 CFR Part 170. You are required to submit this information to the FFATA Subaward Reporting System (FSRS) at <https://www.fsr.gov/> by the end of the month following the month in which you awarded any subaward. The FFATA reporting requirements apply for the duration of the project period and so include all subsequent award actions to aforementioned HRSA grants and cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (non-competing continuation), etc.). Subawards to individuals are exempt from these requirements. For more information, visit: <https://www.hrsa.gov/grants/ffata.html>.
3. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <http://www.hrsa.gov/grants/hhsgrantspolicy.pdf>

Program Specific Term(s)

1. You may rebudget CARES funding without prior approval except as noted below, and provided that the proposed use of funding aligns with the CARES funding intent (detection of coronavirus; prevention, diagnosis, and treatment of COVID-19; and/or maintaining or increasing health center capacity and staffing levels during a coronavirus-related public health emergency), avoids ineligible uses of funding as outlined in this notice of award, and complies with 45 CFR Part 75 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards available at <http://www.ecfr.gov/cgi-bin/text-idx?node=pt45.1.75>. If the amount of the costs to be rebudgeted constitute a significant rebudgeting (exceeds 25% of the total Federal budget or \$250,000, whichever is less), you must submit a prior approval request for review and approval by HRSA.
2. You are expected to monitor and use available resources, such as those available from the Centers for Disease Control and Prevention (CDC): <https://www.cdc.gov/coronavirus/2019-ncov/index.html>. Health center-specific resources and more information are available at Emergency Preparedness and Recovery Resources for Health Centers at <https://bphc.hrsa.gov/emergency-response> and through Health Center Program Strategic Partners at <https://bphc.hrsa.gov/qualityimprovement/strategicpartnerships/index.html>.
3. You must submit a quarterly progress report into the HRSA Electronic Handbooks (EHBs). Reports will describe the status of the activities and use of funds to detect coronavirus; prevent, diagnose, and treat COVID-19; and/or maintain or increase health center capacity and staffing levels during a coronavirus-related public health emergency. You must also report the number of jobs created or retained as a result of the CARES funding, and include submissions related to the use of CARE funding for minor A/R-related activities, if applicable.

4. This award provides flexibility in how you use CARES funding to support the detection of coronavirus and/or the prevention, diagnosis, and treatment of COVID-19, including maintaining or increasing health center capacity and staffing levels during a coronavirus-related public health emergency. Funding may support a wide range of in-scope activities, including but not limited to:
- Ensuring patient and health center personnel safety and otherwise minimize COVID-19 exposure within the health center and in other locations where the health center personnel are delivering in-scope services on behalf of the health center;
 - Addressing emergent COVID-19 issues to meet the health needs of the population served by the health center, including expanding the use of telehealth to support virtual assessment and monitoring of COVID-19 symptoms, and testing and laboratory services;
 - Restoring, sustaining, and strengthening health center capacity and staffing levels, including hiring new, reemploying and/or contracting personnel, as well as supporting the reassignment of personnel resources;
 - Patient and community education;
 - Minor alteration and renovation (A/R);
 - Equipment purchase, including health information technology and telehealth equipment, vehicles, and mobile medical units; and
 - Purchase of supplies.

As provided for in OMB Memorandum M-20-11 - *Administrative Relief for Recipients and Applicants of Federal Financial Assistance Directly Impacted by the Novel Coronavirus (COVID-19)*, available at <https://www.whitehouse.gov/wp-content/uploads/2020/03/M-20-11.pdf>, HRSA may authorize the award recipient to waive the procurement requirements contained in 45 CFR § 75.328(b) regarding geographical preferences and 45 CFR § 75.330 regarding contracting small and minority businesses, women's business enterprises, and labor surplus area firms. This authority is currently valid for the 90-Day Public Health Emergency Declaration (Public Health Emergency Period).

5. Under existing law, and consistent with Executive Order 13535 (75 FR 15599), health centers are prohibited from using federal funds to provide abortion services (except in cases of rape or incest, or when the life of the woman would be endangered).
6. New and/or improved space resulting from minor A/R activities may only be used for purposes consistent with Section 330 of the Public Health Service Act (42 U.S.C. § 254b).
7. With receipt of this notice of award, you acknowledge that federal interest exists in real property and equipment which will be maintained in accordance with 45 CFR Part 75 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards available at <http://www.ecfr.gov/cgi-bin/text-idx?node=pt45.1.75>. You must maintain adequate documentation to track and protect the federal interest. For real property, adequate documentation includes communications between the lessor and the lessee related to protecting such interest, in accordance with the standard award terms and conditions. Such documentation should be available for subsequent review by HRSA.
8. You may not use this funding for: purchasing or upgrading an electronic health record that is not certified by the Office of the National Coordinator for Health Information Technology; new construction activities, including additions or expansions; major alteration and renovation (A/R) projects valued at \$500,000 or greater in total federal and non-federal costs (excluding the cost of allowable moveable equipment); installation of a permanently affixed modular or prefabricated building; facility or land purchases; or significant exterior site work such as new parking lots or storm water structures. Additionally, these funds may not be used for costs already supported by Health Center Program operational grant (H80) or COVID-19 (H8C) funding.
9. This notice of award provides one-time funding to support the detection of coronavirus (SARS-CoV-2) and/or the prevention, diagnosis, and treatment of coronavirus disease 2019 (COVID-19), including maintaining or increasing health center capacity and staffing levels during a coronavirus-related public health emergency, as outlined in the Coronavirus Aid, Relief, and Economic Security (CARES) Act (P.L. 116-136), available at <https://www.congress.gov/116/bills/hr748/BILLS-116hr748enr.pdf>. As provided for in Office of Management and Budget Memorandum M-20-11 - *Administrative Relief for Recipients and Applicants of Federal Financial Assistance Directly Impacted by the Novel Coronavirus (COVID-19)*, available at <https://www.whitehouse.gov/wp-content/uploads/2020/03/M-20-11.pdf>, HRSA authorizes the award recipient to incur allowable pre-award costs before the effective date of a federal award dating back to January 20, 2020. HRSA determined your award amount using the following formula: (1) \$503,000, plus, (2) \$15.00 per patient reported in the 2018 Uniform Data System (UDS), and, (3) \$30.00 per uninsured patient reported in the 2018 UDS.
10. You must update or request prior approval from HRSA as appropriate to ensure that your scope of project accurately reflects any changes needed to implement your CARES activities. This includes: (1) Form 5A: Services provided, (2) Form 5B: Service Sites, and (3) Form 5C: Other Activities/Locations. For additional information, see the scope of project resources available at <https://bphc.hrsa.gov/programrequirements/scope.html>, COVID scope of project-related FAQs at <https://bphc.hrsa.gov/emergency-response>, and consult your project officer as needed.
11. Up to \$500,000 of the funding included in this notice of award may be utilized for minor alteration/renovation (A/R) activities. Minor A/R activities must occur at an in-scope service delivery site and cost less than \$500,000. You must submit the required minor A/R information to HRSA before drawing down funds for minor A/R activities. See the [CARES technical assistance webpage](#) for details regarding

required minor A/R project information.

Standard Term(s)

1. Recipients must comply with all terms and conditions outlined in their grant award, including grant policy terms and conditions outlined in applicable Department of Health and Human Services (HHS) Grants Policy Statements, and requirements imposed by program statutes and regulations and HHS grant administration regulations, as applicable; as well as any requirements or limitations in any applicable appropriations acts.
2. All discretionary awards issued by HRSA on or after October 1, 2006, are subject to the HHS Grants Policy Statement (HHS GPS) unless otherwise noted in the Notice of Award (NoA). Parts I through III of the HHS GPS are currently available at <http://www.hrsa.gov/grants/hhsgrantspolicy.pdf>. Please note that the Terms and Conditions explicitly noted in the award and the HHS GPS are in effect.
3. "This [project/publication/program/website] [is/was] supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$XX with xx percentage financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government."
Recipients are required to use this language when issuing statements, press releases, requests for proposals, bid solicitations, and other HRSA-supported publications and forums describing projects or programs funded in whole or in part with HRSA funding. Examples of HRSA-supported publications include, but are not limited to, manuals, toolkits, resource guides, case studies and issues briefs.
4. Recipients and sub-recipients of Federal funds are subject to the strictures of the Medicare and Medicaid anti-kickback statute (42 U.S.C. 1320a - 7b(b) and should be cognizant of the risk of criminal and administrative liability under this statute, specifically under 42 U.S.C. 1320 7b(b) Illegal remunerations which states, in part, that whoever knowingly and willfully: (A) Solicits or receives (or offers or pays) any remuneration (including kickback, bribe, or rebate) directly or indirectly, overtly or covertly, in cash or in kind, in return for referring (or to induce such person to refer) an individual to a person for the furnishing or arranging for the furnishing of any item or service, OR (B) In return for purchasing, leasing, ordering, or recommending purchasing, leasing, or ordering, or to purchase, lease, or order, any goods, facility, services, or itemFor which payment may be made in whole or in part under subchapter XIII of this chapter or a State health care program, shall be guilty of a felony and upon conviction thereof, shall be fined not more than \$25,000 or imprisoned for not more than five years, or both.
5. Items that require prior approval from the awarding office as indicated in 45 CFR Part 75 [Note: 75 (d) HRSA has not waived cost-related or administrative prior approvals for recipients unless specifically stated on this Notice of Award] or 45 CFR Part 75 must be submitted as a Prior Approval action via Electronic Handbooks (EHBs). Only responses to prior approval requests signed by the GMO are considered valid. Grantees who take action on the basis of responses from other officials do so at their own risk. Such responses will not be considered binding by or upon the HRSA.
In addition to the prior approval requirements identified in Part 75, HRSA requires grantees to seek prior approval for significant rebudgeting of project costs. Significant rebudgeting occurs when, under a grant where the Federal share exceeds \$100,000, cumulative transfers among direct cost budget categories for the current budget period exceed 25 percent of the total approved budget (inclusive of direct and indirect costs and Federal funds and required matching or cost sharing) for that budget period or \$250,000, whichever is less. For example, under a grant in which the Federal share for a budget period is \$200,000, if the total approved budget is \$300,000, cumulative changes within that budget period exceeding \$75,000 would require prior approval). For recipients subject to 45 CFR Part 75, this requirement is in lieu of that in 45 CFR 75 which permits an agency to require prior approval for specified cumulative transfers within a grantee's approved budget. [Note, even if a grantee's proposed rebudgeting of costs falls below the significant rebudgeting threshold identified above, grantees are still required to request prior approval, if some or all of the rebudgeting reflects either a change in scope, a proposed purchase of a unit of equipment exceeding \$25,000 (if not included in the approved application) or other prior approval action identified in Part 75 unless HRSA has specifically exempted the grantee from the requirement(s).]
6. Payments under this award will be made available through the DHHS Payment Management System (PMS). PMS is administered by the Division of Payment Management, Financial Management Services, Program Support Center, which will forward instructions for obtaining payments. Inquiries regarding payments should be directed to: ONE-DHHS Help Desk for PMS Support at 1-877-614-5533 or PMSSupport@psc.hhs.gov. For additional information please visit the Division of Payment Management Website at <https://pms.psc.gov/>.
7. The DHHS Inspector General maintains a toll-free hotline for receiving information concerning fraud, waste, or abuse under grants and cooperative agreements. Such reports are kept confidential and callers may decline to give their names if they choose to remain anonymous. Contact: Office of Inspector General, Department of Health and Human Services, Attention: HOTLINE, 330 Independence Avenue Southwest, Cohen Building, Room 5140, Washington, D. C. 20201, Email: Htips@os.dhhs.gov or Telephone: 1-800-447-8477 (1-800-HHS-TIPS).
8. Submit audits, if required, in accordance with 45 CFR Part 75, to: Federal Audit Clearinghouse Bureau of the Census 1201 East 10th Street Jefferson, IN 47132 PHONE: (310) 457-1551, (800) 253-0696 toll free <https://harvester.census.gov/facweb/default.aspx/>.

9. EO 13166, August 11, 2000, requires recipients receiving Federal financial assistance to take steps to ensure that people with limited English proficiency can meaningfully access health and social services. A program of language assistance should provide for effective communication between the service provider and the person with limited English proficiency to facilitate participation in, and meaningful access to, services. The obligations of recipients are explained on the OCR website at [HHS Limited English Proficiency \(LEP\)](#).
10. This award is subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. 7104). For the full text of the award term, go to: <https://www.hrsa.gov/sites/default/files/hrsa/grants/manage/trafficking-in-persons.pdf>. If you are unable to access this link, please contact the Grants Management Specialist identified in this Notice of Award to obtain a copy of the Term.
11. The Further Consolidated Appropriations Act, 2020, § 202, (P.L. 116-94), enacted December 20, 2019, restricts the amount of direct salary that may be paid to an individual under a HRSA grant or cooperative agreement to a rate no greater than Executive Level II of the Federal Executive Pay Scale. Effective January 2020, the Executive Level II salary level is \$197,300. This amount reflects an individual's base salary exclusive of fringe benefits. An individual's institutional base salary is the annual compensation that the recipient organization pays an individual and excludes any income an individual may be permitted to earn outside the applicant organization duties. HRSA funds may not be used to pay a salary in excess of this rate. This salary limitation also applies to sub-recipients under a HRSA grant or cooperative agreement. The salary limitation does not apply to payments made to consultants under this award although, as with all costs, those payments must meet the test of reasonableness and be consistent with recipient's institutional policy. None of the awarded funds may be used to pay an individual's salary at a rate in excess of the salary limitation. Note: an individual's base salary, per se, is NOT constrained by the legislative provision for a limitation of salary. The rate limitation simply limits the amount that may be awarded and charged to HRSA grants and cooperative agreements. For individuals whose salary rates are in excess of Executive Level II, the non-federal entity may pay the excess from non-federal funds.
12. To serve persons most in need and to comply with Federal law, services must be widely accessible. Services must not discriminate on the basis of age, disability, sex, race, color, national origin or religion. The HHS Office for Civil Rights provides guidance to grant and cooperative agreement recipients on complying with civil rights laws that prohibit discrimination on these bases. Please see <http://www.hhs.gov/civil-rights/for-individuals/index.html>. HHS also provides specific guidance for recipients on meeting their legal obligation under Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color or national origin in programs and activities that receive Federal financial assistance (P. L. 88-352, as amended and 45 CFR Part 75). In some instances a recipient's failure to provide language assistance services may have the effect of discriminating against persons on the basis of their national origin. Please see <http://www.hhs.gov/civil-rights/for-individuals/special-topics/limited-english-proficiency/index.html> to learn more about the Title VI requirement for grant and cooperative agreement recipients to take reasonable steps to provide meaningful access to their programs and activities by persons with limited English proficiency.
13. Important Notice: The Central Contractor registry (CCR) has been replaced. The General Services Administration has moved the CCR to the System for Award Management (SAM) on July 30, 2012. To learn more about SAM please visit <https://www.sam.gov/SAM/>. It is incumbent that you, as the recipient, maintain the accuracy/currency of your information in the SAM at all times during which your entity has an active award or an application or plan under consideration by HRSA, unless your entity is exempt from this requirement under 2 CFR 25.110. Additionally, this term requires your entity to review and update the information at least annually after the initial registration, and more frequently if required by changes in your information. This requirement flows down to subrecipients. Note: SAM information must be updated at least every 12 months to remain active (for both grantees and sub-recipients). Grants.gov will reject submissions from applicants with expired registrations. It is advisable that you do not wait until the last minute to register in SAM or update your information. According to the SAM Quick Guide for Grantees (https://www.sam.gov/SAM/transcript/Quick_Guide_for_Grants_Registrations.pdf), an entity's registration will become active after 3-5 days. Therefore, check for active registration well before the application deadline.
14. In any grant-related activity in which family, marital, or household considerations are, by statute or regulation, relevant for purposes of determining beneficiary eligibility or participation, grantees must treat same-sex spouses, marriages, and households on the same terms as opposite-sex spouses, marriages, and households, respectively. By "same-sex spouses," HHS means individuals of the same sex who have entered into marriages that are valid in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By "same-sex marriages," HHS means marriages between two individuals validly entered into in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By "marriage," HHS does not mean registered domestic partnerships, civil unions or similar formal relationships recognized under the law of the jurisdiction of celebration as something other than a marriage. This term applies to all grant programs except block grants governed by 45 CFR part 96 or 45 CFR Part 98, or grant awards made under titles IV-A, XIX, and XXI of the Social Security Act; and grant programs with approved deviations.

Sub recipients must disclose, in a timely manner, in writing to the prime recipient (pass through entity) and the HHS OIG, all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award.
