**RE: Fisher Road Roadway Improvements (Curlew Road to County Road 39)**  
**Project ID # 005540A**

Dear Property Owner:

Pinellas County Public Works Capital Improvements is planning a roadway resurfacing project along Fisher Road from Curlew Road to County Road 39. The project is currently in design with construction tentatively scheduled to commence in Fall 2024.

In order to construct these improvements, Pinellas County plans to utilize certain maintained right-of way property. This maintained right-of-way property was established by the County through its employees and contractors having regularly maintained and repaired the limits of roadway, as shown on the attached map, for at least the immediate past seven (7) years, pursuant to Section 95.361, Florida Statutes. The areas of this maintained right-of-way are located in the vicinity of Parcel ID **##-##-##-#####-###-####** owned by you.

This item is scheduled for a regular Board of County Commission (Board) meeting on March 26, 2024 at 2:00pm located at 333 Chesnut Street, Clearwater, Florida 33756. At this time, the Board will consider a recommendation from County staff to authorize the Chairman of the Board to sign the maintained right-of-way map for Fisher Road located in Section 18, Township 28 South, Range 16 East, and to authorize the Clerk of the Court to record the maintained right-of-way map in the Maintained Right-of-Way Road Plat Book B. Please find an attached copy of the County staff recommendation memo to the Board. We have also attached an aerial map which shows the physical features of the area.

The Project scope includes the following:

- Road resurfacing and widening
- Sidewalk realignment

The purpose of this project is to mill and resurface Fisher Road from Curlew Road to CR 39 to meet current County Standards. If you have any questions regarding the proposed improvements, please contact Eliode Joseph, PE, Project Manager at (727) 464-4408.

Sincerely,

Jared Phillips, PSM  
Field Survey Section Manager
