Based on both County Resolution and County Ordinance,
[Resolution 95-286 sec IV (C-2)/Ordinance 97-103 sec 126-509]
Pinellas County has been sold to the Water District.
Seen as a Fee(simple) "30 year" Title Transfer, in statute law,
[373.139,298.36,127.01,180.08,380.08,170.09]
The current form of government is being Dissolved in statute 153.03(7&11).

As liquidated, the County is intending on shapeshifting, *within itself*, using "Form Based Code Re-Development" as a 3rd Party, to *Internally Transfer* and *Privatize City* Government.
Seen as a Transfer of Political Function and Power in HomeRule Charter section 2.04(q).

Using a QuidProQuo Agreement, the City "Form Based Code Re-Development programs" are assuming to incorporate themselves within the Water District "privatized" as Individual Independent (14th Amendment) water jurisdictions.
Stemming from the "Interlocal" Cooperation Act of 1969, Recognized in statute 163.01.

And, upon such political *Usurpation* and *Insurrection* of power, this faction intends to use the Reclaimed Water "Variance" application to claim Eminent Domain Development Rights "imposed" against residential owned property/levying the Equity of civilian owned property to pay for infrastructure that was Neglected by the County, *illegitimately* claiming that they have the "Natural" rights to do so, as Due Process of the 14th Amendment, as based on statute 153.03(5).

Labeling themselves as Despots and Tyrants as written in the Declaration of Independence.
I Caution this Proactive Prorogue government actively engaged in High Seas Acts of Sacrilege,
This political *Insurrection* and *Usurpation*, is recognized as an Actual Invasion in Article 1 section 10 and the 5th Amendment of the US Constitution.
And, such an Invasion shall not be tolerated. All parties shall be held accountable.
