Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This contract is an award of bid and execution of the Standard Services Agreement with Rick Richards, Inc. for mechanical thinning of vegetation on Parks and Conservation Resources properties. This contract (which replaces contract no. 167-0246-B) will continue to provide restoration of overgrown natural communities in Pinellas County preserves, parks, and management areas

The term of this agreement is two years from the Effective Date or until termination of the contract, whichever occurs first. This contract may be extended for two additional twenty-four-month periods by mutually executing an Amendment. Extensions allow for a price increase in the amount not to exceed the average of the Consumer Price Index or 5%, whichever is less.

The anticipated fiscal impact of this 2 year contract is a total not-to-exceed sum of \$929,500.00 (Attachment I, Section 6, pg. 3), payable on a fixed-fee basis outlined in the Payment Schedule (Attachment I, Exhibit C, pg. 21), upon invoice submittal. **This agreement is included in the FY23 Adopted Budget, the FY24 Budget, and will be incorporated during FY25 budget development. The annual expenditure has increased 13.0%, in comparison to the prior contract (contract no. 167-0246-B). However, no negative budgetary impacts are anticipated.**
