This information is the result of a Pinellas Online Customer Service form submission from the Pinellas County web site.

Comments-- I oppose the rezoning of property on Dunedin causeway for a 5 story hotel. The site selected will block the sun from the Macedonian condos. The hotel is so close to the condos that hotel patrons will be able to watch the TV in the condos living rooms. It will greatly reduce the value of the Macedonian condos. Also, the development contract states that the builder, Benedikt Fritzsche, reserves the right to sell hotel at any time. It looks like he is the front man for?
