Each individual may speak for up to three minutes as may be modified by the Chairman. Comments or behavior that violate Pinellas County Commission Public Participation and Decorum Rules will be disconnected. Members of the public who cannot attend at the time an agenda item is before the Board may offer comments during the Citizens to Be Heard section near the beginning of the meeting. More information is available at www.pinellascounty.org/BCC_Participation.htm or by calling (727) 464-4400.

Public Hearing Procedures

The procedure used by the Board in conducting Public Hearings is to have a staff presentation followed by the applicant presenting the specific proposal. The Board will then hear comments from the proponents, the opponents and a staff summary. The applicant will then be given an opportunity to close and the Board will decide on the matter. Public Hearings before the Board are governed by the provisions of Section 134 -14 of the Pinellas County Land Development Code as may be modified by Pinellas County Emergency Order. That code provides that at the conclusion of each person's presentation, any speaker may seek the Chairman's permission to ask questions of staff.

Specifically:

1. At the conclusion of the presentations by the applicant and any proponents, all affected parties may seek the Chairman's permission to ask questions of or seek clarification from the applicant and/or the proponents.
2. At the conclusion of the presentation by the opponents, all affected parties may seek the Chairman's permission to ask questions of or seek clarification from any opponent.

The applicant's closing comments will address testimony subsequent to his or her presentation. Continuing rebuttal of other than directly preceding testimony will not be allowed. Because much testimony has already been submitted in writing, the following guidelines accommodate efficient presentations:

1. The applicant should present his or her entire case, including rebuttal, in no more than 20 minutes.
2. Persons wishing to speak regarding a Public Hearing item may speak for up to three minutes each.
3. Persons wishing to attend virtually must preregister at pinellascounty.org/comment by 5 p. m. the day before the meeting.

Persons are advised that, if they decided to appeal any decision made at this meeting/hearing, they will need a record of the proceeding, and, for such purposes, they may need to ensure that a verbatim record of the proceeding is made, which includes the testimony and evidence upon which the appeal is to be based.
