Address 1369 Crescent Drive  
LARGO, FL 33770

Comments I was handed a flyer asking me to contact Pinellas government authorities to oppose the plan to develop the 18 acres at 13400 Pine St and Trotter Road. Frankly, that land is an eyesore. I would support development of that land - apartments or single family dwellings. But - I would absolutely oppose it being an extension of Rainbow Village. I live about a mile and a quarter away, yet more crime is centered there than anywhere else in Largo. We already have Heritage Village with subsidized senior housing opening just this week - and my hope is that the residents there will NOT be an addition to the crime. So count me IN for development but NOT for additional low income housing.
