This Amendment No. 9 is entered into by and between County of Pinellas, Florida ("County") and Environmental Systems Research Institute, Inc. ("Esri"). The County and Esri shall be referred to collectively as the "Parties" and individually as a "Party."

WHEREAS, the Parties entered into an Enterprise License Agreement with an effective date of April 24, 2012 and subsequently amended it ("Agreement" or "EA"); and

WHEREAS, the parties desire to amend the Agreement to extend the term of the Agreement for an additional five (5) years from April 24, 2025 through April 23, 2030 and update applicable terms and appendices at a cost of six million dollars ($6,000,000.00).

NOW THEREFORE, the Parties agree to the following:

1. Section 7.1, Term is revised to add the following new sentence at the end of the subsection: "Unless terminated as provided in Article 7 of this Agreement, the term of this Agreement is extended for an additional five (5) years from April 24, 2025 through April 23, 2030 ("Amd 9 Extension Term")."

2. Delete and replace Appendix, A Software and Deployment Schedule, with the attached Appendix A Software and Deployment Schedule, which shall supersede and apply during the Amd 9 Extension Term.

3. Delete and replace Appendix B, ELA Fee Schedule, with the attached Appendix B, EA Fee Schedule, which shall supersede and apply during the Amd 9 Extension Term.

Rest of page is blank

Except as may be specifically modified by this Amendment No. 9, all other terms and conditions of the Agreement and any prior Amendment(s) or Addendum(s) constitute the entire agreement between the Parties and supersede all prior and contemporaneous agreements or representations, written or oral, concerning the subject matter of this Agreement.

IN WITNESS WHEREOF, the Parties hereto have executed this Amendment No. 9 as of the date of the last party to sign below.

** Unused Learning and Services credits will expire 24 months from their purchase date, or one month after the expiration of the program, whichever is first. Learning and Services credits are a flexible way for your organization to receive focused technical enablement support. These credits are not intended for use on project-specific professional services. Any project-related activities requiring Esri Project Services support will be scoped, budgeted, and scheduled outside of the Advantage Program. You can find more information about the Advantage Program at www.esri.com/services/eeap. Any activities proposed to be completed under the Advantage Program would be subject to review and approval by Esri to ensure alignment with the intent of the Advantage Program. At time of renewal, Esri reserves the right to update Advantage Program terms to reflect the latest program offering.
