Dear Ms. Holmes,

Ready for Life, Inc. (RFL) is a 501©3 nonprofit agency that has taken the lead in providing resources, connections and hope for youth that are "aging out" of the foster care system in Pinellas County. RFL would be so excited to receive the 3 computers from Surplus. Our young adults have so many needs as it relates to education and employment and having additional computers for homework, job applications, resumes, etc. would be extremely helpful.

Ready for Life's Mission is to provide support, resources and guidance former foster care youth need to transition to adulthood. Through RFL's efforts and the support of our community youth are assisted in obtaining housing as opposed to being homeless, staying in school and seeking a diploma as to dropping out, obtaining employment as to being unemployed, building self-esteem and character as opposed to being incarcerated due to selfish acts of violence and feeling like they can make it on their own and be successful because there are people that care and will help them each step of the way.

Thank you in advance for your generosity.

Sincerely,
