

**FIRST AMENDMENT TO THE SECOND FLOOR LEASE AND INCORPORATION OF  
THE FIRST FLOOR LEASE AND SUITE 280**

June, 2017

**THIS AGREEMENT** (the "Agreement") effective this 2 day of ~~May~~ <sup>June</sup>, 2017 is hereby entered into by and between **NORTHSIDE SQUARE, LLC**, a Florida limited liability company ("Landlord") and **PINELLAS COUNTY**, a political subdivision of the State of Florida ("Tenant"), jointly referred to as the "Parties".

**WITNESSETH:**

**WHEREAS**, Highwoods/Florida, L.P., Highwoods Properties, Inc. (the "Prior Landlord") and Tenant entered into that certain lease agreement with an Effective Date of April 16, 2003 (the "First Floor Lease"), for approximately 12,055 rentable square feet of office space at 29399 U.S. Hwy. 19 North Clearwater, Florida 33761 (the "Office Building"); and

**WHEREAS**, the Prior Landlord has sold the property and assigned its interests in the Lease to the Landlord; and

**WHEREAS**, the Landlord and Tenant entered into a subsequent lease, having an Effective Date of June 7, 2016 (the "Second Floor Lease"), for approximately 15,275 rentable square feet of office space in Suite 200, located on the second floor of the Office Building; and

**WHEREAS**, the Tenant and Landlord desire to combine the First Floor Lease and the Second Floor Lease into one lease agreement, add Suite 280 to the premises, and amend and coordinate their terms as provided herein.

**NOW THEREFORE**, in consideration of the mutual covenants, terms and conditions herein contained and for other good and valuable consideration, the receipt of which is hereby mutually acknowledged, the Parties agree as follows:

1. The First Floor Lease, including all amendments thereto, is expressly incorporated herein and made a part of the Second Floor Lease. Notwithstanding the foregoing to the contrary, upon the Updated Rent Commencement Date (as defined in Paragraph 6 of this Agreement), the First Floor Lease shall automatically terminate, and Landlord's and Tenant's rights and obligations with respect to the premises under the First Floor Lease (the "First Floor Premises"), shall be governed exclusively by the Second Floor Lease. Following the Updated Rent Commencement Date, the Second Floor Lease may be referred to as the "Lease".
2. Paragraph 2 of the Second Floor Lease is amended so that the Premises shall be 29,403 rentable square feet, comprised of approximately 15,275 rentable square feet in Suite 200 (the "Second Floor Premises"), per Exhibit "B" to the Lease, approximately 12,055 rentable square feet, of office space known and described as Suite 100 on the first floor of the Building (the "First Floor Premises"), per attached Exhibit "A" and approximately 2,073 rentable square feet, of office space known as Suite 280 ("Suite

280"). Tenant's Allocated Share shall mean 30.32 percent for the Second Floor Premises, 23.93 percent for the First Floor Premises, and 4.11 percent for Suite 280, which sum is obtained by multiplying by 100 the quotient obtained by dividing (i) Tenant's Gross Rentable Area by (ii) the Gross Rentable Area of Building, as such terms are defined in the Lease.

3. Paragraph 3 of the Second Floor Lease is amended so that the Lease Term for the Second Floor Premises shall be extended through the fifth (5<sup>th</sup>) anniversary of the Updated Rent Commencement Date.
4. Paragraph 4 of the Second Floor Lease is amended so that, in addition to Landlord's previously completed work to the Second Floor Premises, Landlord shall reconfigure the First Floor Premises and Suite 280 in accordance with the Space Plan as shown on Exhibit "A" attached hereto and made a part hereof (the "Revised Space Plan") and improve the First Floor Premises and Suite 280 in accordance with Exhibit "A-1", attached hereto and made a part hereof (the "Revised Tenant Improvements"). Following Landlord's completion of the Tenant Improvements, the Second Floor Premises, the First Floor Premises and Suite 280 shall collectively be referred to as the "Premises".
5. Tenant agrees that it will, within ten (10) days following Tenant's receipt of a written request by Landlord, execute Exhibit "B" attached hereto and made a part hereof (the "Acceptance Certificate"). If there is any finishing work remaining to be completed which does not materially interfere with the conduct of Tenant's business within the First Floor Premises or Suite 280, Tenant will accept delivery of First Floor Premises and Suite 280 and allow Landlord to complete said finishing work within ten (10) days of Landlord's receipt of the Acceptance Certificate, accompanied by a list in writing of finishing work remaining to be completed.

Any modification by Tenant to the Revised Space Plan or Revised Tenant Improvements which increases the construction costs to the First Floor Premises or Suite 280 in excess of the Budget Caps, attached hereto as Exhibit "A-2" shall be paid by Landlord and amortized as Additional Rent, over the Lease Term at a rate of five (5%) percent per annum.

6. If, for any reason, Tenant terminates the Lease or Landlord terminates the Lease based on a Tenant default, prior to the expiration of the Lease Term (as extended), in accordance with the terms and conditions of the Lease, Tenant shall pay Landlord the balance of the then unamortized portion of the Tenant Improvements, to include Landlord's unamortized contribution based upon a five (5) year monthly amortization schedule at a rate of eight (8%) percent per annum.
7. Paragraph 6 of the Second Floor Lease is amended so that Rent for the First Floor Premises and Suite 280 shall be an amount equal to \$20.17 per square foot, full service, per annum, plus Additional Rent as described in Paragraph 10 of the Second Floor Lease. Full Service Rent shall increase annually by an amount equal to three percent

(3%) of the Full Service Rent for the preceding Lease year as follows: Lease Year 2 - \$20.78 per square foot, Lease Year 3 - \$21.40 per square foot, Lease Year 4 - \$22.04 per square foot, Lease Year 5- \$22.70 per square foot. Rent and rent escalations for the Second Floor Premises as described in Second Floor Lease shall remain unchanged by this Agreement. Rent for the First Floor Premises and Suite 280 shall be calculated in accordance with this Agreement beginning on the date the First Floor Premises and Suite 280 are substantially completed with all facilities in operating order (the "Updated Rent Commencement Date"). Following the Updated Rent Commencement Date, Rent for the First Floor Premises and Suite 280 shall be due and payable on the date the next rental payment for the Second Floor Premises is due, and shall continue to be due simultaneously with the Rent for the Second Floor Premises for the remainder of the Lease Term.

8. Paragraph 9 of the Second Floor Lease is amended so that, provided Tenant is not in default of the Lease, Landlord agrees to extend the Lease for the entire Premises (including the First Floor Premises and Suite 280) by up to three (3), one (1) year renewal terms (each an "Option Term") upon written notification from Tenant to Landlord at least one hundred eighty (180) days prior to the expiration of the then current Lease Term. The annual rental rate shall be defined as follows:

Full Service Rent during each twelve (12) month Option Term for the First Floor Premises and Suite 280 shall be:

- Option Term 1: \$23.38 per square foot
- Option Term 2: \$24.08 per square foot
- Option Term 3: \$24.80 per square foot

The Full Service Rent for the Second Floor Premises during any Option Term shall remain unchanged, as described in the Second Floor Lease.

9. Paragraph 10 of the Second Floor Lease is amended so that all Additional Rent provisions shall apply to the First Floor Premises and Suite 280. Following Landlord's completion of the Tenant Improvements, the term "Rent" shall include Full Service Rent and Additional Rent for the entire Premises.
10. Subject to the prior rights of existing tenants and after receipt of written notice of Tenant's desire to lease additional expansion space, Landlord shall offer to Tenant any space on the first or second floor of the Building that Landlord is marketing to third party prospects. Landlord's obligation to inform Tenant of additional expansion space shall be for a period of six (6) months immediately following receipt of Tenant's notice. Notwithstanding the foregoing, Landlord shall have no obligation to offer expansion space during the last twenty-four (24) months of the Lease Term.
11. Paragraph 39 of the Second Floor Lease is amended so that the number of parking spaces designated for use of Tenant, its officers, agents, employees, and invitees, shall

be provided adjacent to the Building on the basis of four (4) spaces for each 1,000 square feet of the First Floor Premises, Suite 280 and the Second Floor Premises. Included in the parking ratio for the First Floor Premises shall be five (5) reserved parking spaces dedicated for "Driving Tests". (Tenant shall be permitted to park two (2) Tenant-owned vehicles overnight in the parking spaces reserved for Driving Tests. All responsibility and liability for overnight parking shall rest with Tenant.)

12. Except as amended herein, all terms, covenants and provisions of the Lease shall be and remain in full force and effect and are hereby ratified and confirmed. In the event of any conflict between the terms of the Lease and the terms of this Agreement, the terms of this Agreement shall control. Unless otherwise set forth, the defined terms used in this Agreement shall have the same meanings as set forth in the Lease.
