Future Land Use – summary

Commercial Neighborhood (CN) to Commercial General (CG)

- **Southeast parcel (1.18 acres)**
- **From neighborhood-scale to general-scale development**
- **Mostly the same types of allowable uses**
- **Would allow residential uses – up to 24 dwelling units per acre**
- **Increase in nonresidential FAR from 0.3 to 0.55**

Future Land Use – summary

Employment (E) to Industrial General (IG)

- **Northwest parcel (0.69 acres)**
- **Change would allow more industrial-type uses, including a transfer station and recycling facility**
- **Residential uses not permitted in either category**
- **Increase in nonresidential FAR from 0.65 to 0.75**

Zoning – summary

Neighborhood Commercial (C-1) to Employment 2 (E-2)

- **Southeast parcel (1.18 acres)**
- **Change from neighborhood-scaled retail and services to light industrial and warehousing-type uses**
- **Limited residential permitted in C-1, not permitted in E-2**
- **Increase in building height from 45 feet to 60 feet**

Zoning – summary

Employment 1 (E-1) to Heavy Industrial (I)

- **Northwest parcel (0.69 acres)**
- **Change would allow a wider variety of industrial-type uses with less restrictions**
- **Residential generally not permitted in either district**
- **Same building height limitation of 60 feet**
 - 45 feet within 50 feet of residentially zoned property

Potential Traffic Impacts

- **Change in land use could generate an additional 12 vehicular trips, per PM Peak Hour calculation rates**
- **47% vehicle to capacity ratio (V/CR) along Roosevelt Road**
- **95% vehicle to capacity ratio (V/CR) along Ulmerton Road**

Flood Risk

- **Property is neither within the Coastal Storm Area nor the Coastal High Hazard Area**
- **Property lies within Flood Zone X**

Recommendation

Proposed Land Use and Zoning amendments, and Development Agreement

- **Staff finds the proposed amendments with the associated Development Agreement appropriate, especially when considering the site's long-term use**
- **Amendments will allow for the site to be redeveloped to the County's development regulations in a more appropriate manner**
- **Consistent and compatible with the area's industrial, heavy commercial, and mix-use character**
- **Consistent with the Comprehensive Plan**
