**18. SEVERABILITY**

The terms and conditions of the AGREEMENT shall be deemed to be severable. Consequently, if any clause, term, or condition hereof shall be held to be illegal or void, such determination shall not affect the validity or legality of the remaining terms and conditions, and notwithstanding any such determination, this AGREEMENT shall continue in full force and effect, unless the particular clause, term or condition held to be illegal or void renders the balance of the AGREEMENT impossible to perform.

  - iv. The three-year retention requirement does not apply to the COUNTY or AGENCY when records are transferred to or maintained by the Federal agency.
  - v. The records for program income earned after the period of performance must be retained for three years from the end of the COUNTY'S or AGENCY'S fiscal year in which the program income is earned. This only applies if the Federal agency or pass-through entity requires the COUNTY or AGENCY to report on program income earned after the period of performance in the terms and conditions of the Federal award.
  - vi. The records for indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates must be retained according to the applicable option below:

1. *If submitted for negotiation.* When a proposal, plan, or other computation must be submitted to the Federal Government to form the basis for negotiation of an indirect cost rate, (or other standard rates), then the three-year retention period for its supporting records starts from the date of submission.
  2. *If not submitted for negotiation.* When a proposal, plan, or other computation is not required to be submitted to the Federal Government to form basis for negotiation of an indirect cost rate (or other standard rates), then the three-year retention period for its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.
- c) Methods for Collection, Transmission, and Storage of Information [2 CFR 200.336]. When practicable, AGENCY must collect, transmit, and store Federal award information in open and machine-readable formats. A machine-readable format is a format in a standard computer language (not English text) that can be read automatically by a computer system. Upon request, AGENCY must always provide or accept paper versions of Federal award information to and from the COUNTY. The Federal agency or pass-through entity must not require additional copies of Federal award information submitted in paper versions. The AGENCY does not need to create and retain paper copies when original records are electronic and cannot be altered. In addition, AGENCY may substitute electronic versions of original paper records through duplication or other forms of electronic conversion, provided that the procedures are subject to periodic quality control reviews. Quality control reviews must ensure that electronic conversion procedures provide safeguards against the alteration of records and assurance that records remain in a format that is readable by a computer system.
- d) Access to Records [2 CFR 200.337].
- i. Records of Recipients and Subrecipients. The Federal agency, or pass-through entity, Inspectors General, the Comptroller General of the United States, or any of their authorized representatives, must have the right of access to any records of the COUNTY or AGENCY pertinent to the Federal award, to perform audits, execute site visits, or for any other official use. This right also includes timely and reasonable access to the COUNTY'S or AGENCY'S personnel for the purpose of interview and discussion related to such documents or the Federal award in general.
  - ii. Extraordinary and Rare Circumstances. The COUNTY or AGENCY and Federal agency or pass-through entity must take measures to protect the name of victims of a crime when access to the victim's name is necessary. Only under extraordinary and rare circumstances would such access include a review of the true name of victims of a crime. Routine monitoring cannot be considered extraordinary and rare circumstances that would necessitate access to this information. Any such access, other than under a court order or subpoena pursuant to a bona fide confidential investigation, must be approved by the head or delegate of the Federal agency.
  - iii. Expiration of Right of Access. The Federal agency's or pass-through entity's rights of access are not limited to the required retention period of this part but last as long as the records are retained. Federal agencies or pass-through entities must not impose any other access requirements upon COUNTY and AGENCY.
- e) Audits and Inspection. If AGENCY expends more than \$1,000,000 or more in a fiscal year in Federal awards from all sources, AGENCY must have a single audit or program-specific audit conducted for that year in accordance with 2 CFR Part 200.501 – Audit Requirements. The Catalog of Federal Domestic Assistance (CFDA) number is 14.218. Audit report shall be submitted to DEPARTMENT within the earlier of thirty (30)

days after receipt of the auditor's report(s), or nine (9) months after the end of the audit period, unless AGENCY and the DEPARTMENT agree to a longer period in advance. AGENCY shall be responsible for the costs associated with this audit. AGENCY shall submit any additional documentation requested by COUNTY to substantiate compliance to this provision if necessary. In the event the AGENCY expends less than the threshold established by 2 CFR Part 200.501, the AGENCY is exempt from Federal audit requirements for that fiscal year, however, the AGENCY must provide a Single Audit exemption statement to the COUNTY no later than three months after the end of the AGENCY'S fiscal year for each applicable audit year. In the event the audit shows that the entire funds disbursed hereunder, or any portion thereof, were not expended in accordance with the conditions of this AGREEMENT, AGENCY shall be held liable for reimbursement to COUNTY of all funds not expended in accordance with these applicable regulations and AGREEMENT provisions within thirty (30) days after COUNTY has notified AGENCY of such non-compliance.

The AGENCY is responsible for follow-up and corrective action on all audit findings pursuant to 2 CFR Part 200.511 (Audit Findings Follow Up) and 2 CFR Part 200.512 (Report Submission). Failure of AGENCY to comply with the above audit requirements will constitute a violation of this AGREEMENT and may result in the withholding of future payments.

AGENCY shall provide to DEPARTMENT its Unique Entity Identifier (UEI) and must register and maintain the currency of information in the System for Award Management (SAM) database, so that Grantee complies with the requirements established by the Federal Office of Management and Budget concerning the UEI, SAM and Federal Funding Accountability and Transparency Act (FFATA), as required in 2 CFR Part 25 and 2 CFR Part 170. AGENCY will also comply with the Digital Accountability and Transparency Act (DATA Act) of 2014, as set forth in Appendix A to Part 25-Award Term.

Such income may include income from service fees, sale of commodities, and rental or usage fees. Upon expiration, cancellation or termination of this AGREEMENT, AGENCY shall transfer to COUNTY any grant funds on hand and any accounts receivable attributable to the use of those funds.

**ATTACHMENT C - CONTRACT PROVISIONS FOR CONTRACTS UNDER FEDERAL AWARDS**

This AGREEMENT is either fully or partially grant-funded. In addition to other terms and conditions required by Pinellas County and the applicable federal agency, AGENCY shall ensure all contracts awarded to qualified bidders are subject to the following provisions, as applicable, to the services provided.

Equal Employment Opportunity: Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60- 1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

If this contract meets the definition of a "federally assisted construction contract", during the performance of this contract, the Contractor agrees as follows:

- (1) The CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- (2) The CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant with another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The CONTRACTOR will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The CONTRACTOR will comply with all provisions of Executive Order 11246 of September 24, 1965, and with the rules, regulations, and relevant orders of the Secretary of Labor.

- (6) The CONTRACTOR will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the CONTRACTOR's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the CONTRACTOR may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The CONTRACTOR will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The CONTRACTOR will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Davis-Bacon Act as amended (40 U.S.C. 3141-3148): When required by federal program legislation, for all prime construction contracts awarded in excess of \$2,000, Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, Contractors must be required to pay wages not less than once a week. If the applicable grant award contains Davis-Bacon provisions, the County will place a copy of the current prevailing wage determination issued by the Department of Labor in the solicitation document. The decision to award a contract shall be conditioned upon the acceptance of the wage determination [Appendix II to 2 CFR Part 200].

Copeland Anti Kick Back Act: If Davis-Bacon is applicable, CONTRACTOR shall also comply with all the requirements of 29 CFR Part 3 which are incorporated by reference to this contract. Contractors are prohibited from inducing by any means any person employed in the construction, completion, or repair of public work to give up any part of the compensation to which he or she is otherwise entitled [Appendix II to 2 CFR Part 200].

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence [Appendix II to 2 CFR Part 200].

Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the COUNTY or AGENCY wishes to enter into a contract with a small

business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the COUNTY or AGENCY must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency [Appendix II to 2 CFR Part 200].

Clean Air Act (42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387): As amended—The CONTRACTOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA) [Appendix II to 2 CFR Part 200].

Debarment and Suspension (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) will not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. If applicable, the CONTRACTOR must verify that none of their subcontractors (for contracts expected to equal or exceed \$25,000), appear on the federal government’s Excluded Parties List. The Excluded Parties List is accessible at <https://uscontractorregistration.com/> [Appendix II to 2 CFR Part 200].

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352): CONTRACTORS that apply or bid for an award exceeding \$100,000 must submit a completed “Disclosure of Lobbying Activities” [Form SF-LLL]. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with *non-federal funds* that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. [Appendix II to 2 CFR Part 200]. The bidder shall complete Form SF-LLL and submit with bid. Bidders may be deemed nonresponsive for failure to submit this certification.

Conflict of Interest [2 CFR §200.112]: The CONTRACTOR must disclose in writing any potential conflict of interest to the Federal agency or COUNTY in accordance with the established Federal agency policies.

Records to be retained include but are not limited to financial records, supporting documentation, and statistical records. Federal agencies or COUNTY may not impose any other record retention requirements except for the following:

- (1) The records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken if any litigation, claim, or audit is started before the expiration of the three-year period.
- (2) When the COUNTY or AGENCY is notified in writing by the Federal agency or pass-through entity, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs to extend the retention period.

  - *If not submitted for negotiation.* When a proposal, plan, or other computation is not required to be submitted to the Federal Government to form the basis for negotiation of an indirect cost rate (or other standard rates), then the three-year retention period for its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

A machine-readable format is a format in a standard computer language (not English text) that can be read automatically by a computer system. Upon request, the Federal agency or pass-through entity must always provide or accept paper versions of Federal award information to and from the COUNTY or AGENCY. The Federal agency or pass-through entity must not require additional copies of Federal award information submitted in paper versions. The COUNTY or AGENCY does not need to create and retain paper copies when original records are electronic and cannot be altered. In addition, the COUNTY or AGENCY may substitute electronic versions may be of original paper records through duplication or other forms of electronic conversion, provided that the procedures are subject to periodic quality control reviews. Quality control reviews must ensure that electronic conversion procedures provide safeguards against the alteration of records and assurance that records remain in a format that is readable by a computer system.

Any such access, other than under a court order or subpoena pursuant to a bona fide confidential investigation, must be approved by the head or delegate of the Federal agency.

- (3) *Expiration of Right of Access.* The Federal agency's or pass-through entity's rights of access are not limited to the required retention period of this part but last as long as the records are retained. Federal agencies or pass-through entities must not impose any other access requirements upon COUNTY and AGENCY.
