Josh,

The people that own the property on 9th and Illinois, which goes up to Ohio too I believe, have been attempting to take over that entire block for several years. They seem to have completely disregarded the ordinances and continue to "ask for forgiveness" instead of permission. I know for a fact that I would NEVER be allowed to put landscaping of that magnitude in my yard against 8th street. There is no reason for them to be allowed to vacate Illinois so they can circumvent the rules.

I have spent many days walking down Illinois and crossing through onto the Pinellas trail. To vacate Illinois from 9th so they can have their landscaping is just plain wrong and sets a dangerous precedent.

Please make my objection heard at the meeting tomorrow. You may also mention my wife Karie as she is opposed as well.

Thank you for your time and consideration.

Best Regards,
