Topic Local State of Emergency

BCC Agenda Date 12-15-2020

Your Stand on the Issue Oppose

Comments I don't oppose the state of emergency but would like to share research on the physical effects (immune system) that are a result of stress, anxiety, fatigue, and depression. If it is possible may I please speak during Agenda 1 as I need to make sure I'm home for my husband to get to his second job. I'd like to speak in person this time.
