

FEATHER SOUND COMMUNITY SERVICES DISTRICT (CSD)

FY17 Budget Request

Feather Sound CSD Budget History

The Feather Sound Community Services District is supported by a dedicated property tax levy, currently at 0.5 mills. The District is a non-profit entity which provides street lighting and parkland maintenance services for the area. The amount paid to the non-profit is less than their actual operating budget (\$216,340), because the non-profit has excess reserve funds (\$140,950) that are being drawn down over a multi-year period. The FY17 budget request includes funds for the design and planning costs associated with updating the community entrance way signage.
