Pinellas County Police Athletic League, Inc.

DATE: September 28, 2016

During a Board Workshop on the FY16-17 County Budget, OMB presented a proposal to the Board of County Commissioners for Community Development to fund the Pinellas County Police Athletic League, Inc. (PAL) Operations and YMCA of the Suncoast Omni Center Operations (YMCA) at the funding amount granted in the prior year, utilizing Community Development's General Fund Reserve.

Community Development was able to provide Emergency Solutions Grant (ESG) funding to Religious Community Services Grace House Operations (RCS), which allowed PAL to be awarded \$30,000, almost twice the amount they awarded in the previous year, through the Community Development Block Grant (CDBG). PAL remains an Alternate in the County's Annual Action Plan in the event additional CDBG funds become available.
