# Pinellas Rapid Rehousing Collaborative

Version 16  
February 2021

## **SUBJECT: Pinellas Rapid Rehousing Collaborative**

### **POLICY:**

During the summer of 2016, both the Pinellas County Board of County Commissioners (BCC) and the City of St. Petersburg passed Resolutions to Endorse Housing First and the Coordinated Entry System. As part of a comprehensive approach to systematically reduce homelessness in the County, the City of St. Petersburg and the BCC authorized a substantial investment for a Rapid Rehousing Initiative in fiscal year 2017 (FY17).

Rapid Rehousing (RRH) is a Housing First intervention designed to help individuals and families to quickly exit homelessness and return to permanent housing. RRH assistance is offered without preconditions (such as employment, income, absence of criminal record, or sobriety) and the resources and services provided are typically tailored to the unique needs of the household. At a minimum, a RRH program shall offer three (3) components:

- Housing Identification
- Rent and Move-in Assistance
- RRH Case Management and Services

Funding for this RRH initiative is derived from multiple sources, including City and County General Fund, Emergency Solutions Grants (ESG), and State Housing Initiative Partnership (SHIP) grants. The Cooperative partners anticipate the project will provide RRH for an estimated 300 homeless families and individuals annually. The service population often has experienced financial crisis leading to homelessness, legal issues, poor rental history, disabilities and other health concerns, history of family violence, and little to no current income.

Locally, RRH processes will align with the Coordinated Entry System through the use of evidence based assessment tools (Vulnerability Index of the Service Prioritization Decision Assistance Tool, VI-SPDAT) approved and required by HUD. The program will also align with other assistance programs to maximize efficiencies and outcomes.

This RRH Program is split into two (2) distinct areas, which may be filled by one or more organizations: 1) RRH Fiscal Administrator (RRHFA) and 2) RRH Direct Service Provider (RRHDSP). A competitive procurement process through the Pinellas County Purchasing Department was utilized to select the organizations to administer this cooperative program.

### **ATTACHMENTS:**

1. Resolution to Endorse Housing First and the Coordinated Entry System
2. General Fund Reimbursement Documentation
  - A. Financial Assistance Checklist
  - B. RRH Staff Certification of Eligibility
  - C. Homeless Verification
    - C-1. RRH Self-Declaration of Housing Status (if not verified in HMIS)
  - D. RRH Household Declaration of Income
  - E. RRH Self- Certification of Assets
  - F. RRH Temporary Financial Assistance Request Form
  - G. RRH Landlord/Agent Vendor Agreement (if no lease)
3. City of St. Petersburg Rental Assistance Program Guidelines (SHIP)
4. 2016-2019 Pinellas County Continuum of Care ESG Written Standards

### **PROCEDURES:**

1. **PROGRAM IMPLEMENTATION**

### **a. Coordinated Entry**

RRH assistance will be provided to eligible individuals and families, identified as literally homeless at first intake through the Coordinated Entry System (CES). Individuals and families in need of RRH who are literally homeless and have not been assessed using the VI-SPDAT shall be first referred to The Homeless Leadership Alliance of Pinellas, the Homeless Street Outreach Teams or an Emergency Shelter Program to be assessed and placed on the waitlist.

### **b. Rapid Rehousing Case Managers**

The RRH Case Managers (CMs) will intake clients utilizing the CES waitlist, pulling from the highest acuity within the RRH range, as determined and adjusted from time to time by the CoC. A priority will be placed on rapidly rehousing literally homeless families with minor children. (Currently, 4-8 for families, 4-7 for adults.) CMs will coordinate with The Homeless Leadership Alliance of Pinellas, the RRH Housing Specialists/Navigators (HN), other RRH providers, and Street Outreach Teams to locate eligible individuals and families, and prevent duplication of efforts.

CMs should work with clients to develop a specific case plan within one week of entry into the RRH program, even if suitable housing has not yet been located. The case plan will include a housing stabilization/self-sufficiency plan, and a household budget, at a minimum. The Housing Stabilization Plan will address the household's housing needs and preferences, strengths and barriers to housing, and identify possible alternatives and resources for self-sufficiency. Regular reassessments, provided through follow-up, should be built into the housing plan to determine if the level of assistance should be increased, decreased or discontinued once households enter permanent housing. The budget worksheet will identify monthly income and expenditures to aid in reaching self-sufficiency, and to help determine the level of temporary financial assistance needed.

Through these plans, the CMs will work to develop and ensure the on-going stability of clients upon placement in housing. CMs should be familiar with a multitude of wrap-around services and providers within the CoC. CMs should make referrals to programs for which a client expresses a need, including, but not limited to SOAR, CABHI, Pinellas County Health Program, and other local providers for job/skills training, furniture and incidental support, childcare, etc.

CMs will be experts in RRH Program Standards, and continually evaluate clients for eligibility and ongoing support while building a support system. Documentation of ongoing need is required on a monthly basis for continued financial assistance from the program. The CM shall strive to ensure that program standards are implemented **consistently** throughout the CoC by attending regular meetings of the RRH Committee.

### **c. Rapid Rehousing Housing Navigators**

HNs are responsible for locating and reaching out to potential RRH clients based upon a prioritization list provided by the CoC, and/or other mutually agreed upon intake or outreach methods. The HN may leverage the use of Street Outreach Teams and shelter partners to assist in locating potential clients. The HN are responsible for assisting clients in obtaining all necessary documentation for application to RRH, including obtaining replacement identification, when necessary. HN can maintain a fixed office at their organization's location, but must be able to travel to meet clients or work out of satellite offices, as needed.

Additionally, HNs are responsible for identifying and engaging landlords through a variety of methods in order to develop a sufficient affordable housing stock for a successful RRH program. HNs must be familiar with landlord/tenant law, applicable Housing Codes and grant-specific housing requirements, particular challenges to the rental market within the CoC, local housing authority voucher programs, and public transportation. HNs will ensure that all housing units meet Housing Quality Standards (HQS) as established by HUD. HNs will continually seek out landlords

willing to house hard-to-place tenants, and must be creative in addressing housing barriers. After a lease is signed, HN will continue to serve as a contact for landlords experiencing any challenges with tenants by providing outreach with RRH Case Managers, financial assistance to pay rent, and if necessary, an cooperative and timely move out of housing to avoid eviction. HNs will coordinate with other HNs within the CoC to develop a "master list" for use by all Providers.

#### **d. Rapid Rehousing Fiscal Administration**

The RRH financial assistance funds will be administered through an agreement with the RRHFA. RRHFA staff will be available Monday through Friday from 8:00am to 5:00pm to process documentation packages and respond to CM and HN inquiries. If a holiday falls on a weekday, the program will operate the same hours, but with single shift coverage by staff.

The RRHFA will maintain eligibility information within the Fund Manager component of the Tampa Bay Information Network (TBIN) software, or other software program as determined appropriate by the County, the City of St. Petersburg, and the HLA. Financial assistance information shall be readily available for review and audit by the program partners. The RRHFA will maintain a full, separate accounting of all dispersed funds associated with each instance of assistance. All dispersed funds will be reconciled to the RRHFA bank statements on a monthly basis or as required by funders.

The RRHFA will receive completed requests for financial assistance from CMs and HNs, and is responsible for ensuring all documentation necessary for verification, processing, and approval of request is provided. The RRHFA will maintain ongoing contact with the CMs and HNs as necessary to correct any defects in the documentation and provide communication as to request status. Cases with continued contact and document submission by a CM will remain in pending status until all required documentation is received and verified, and the assistance is approved.

Based upon the information provided in each application, the RRHFA shall determine the most appropriate source of funding for financial assistance. The RRHFA will be responsible for understanding the eligibility guidelines for City of St. Petersburg and Pinellas County ESG, City of St. Petersburg SHIP, and City of St. Petersburg and County General Fund. The RRHFA should work to establish a rubric for quickly identifying the most appropriate funding source, with a prioritization on utilizing ESG, SHIP, and other grant funds. If additional information is needed to determine specific eligibility, the RRHFA will work with the CM or HN to obtain this information.

The RRHFA will review all documentation scanned into TBIN to verify citizenship, residency, income, identification, eligibility **prior** to issuing an approval for payment for eligible items.

All requests for payment will be handled within one (1) business day once all required documentation is received and eligibility for RRH is confirmed. If a request is DENIED, RRHFA staff will contact the CM directly within 2 business days and notify them of the reason for denial and any information or requirements to bring the application into approval. All approvals and denials are recorded in Fund Manager.

No check will be cut without appropriate approval documented in TBIN. For approved financial assistance, payment will be made by credit card for utilities and checks will be cut for rental assistance. A RRH CM/HN or supervisor will be responsible for picking up checks directly from the RRHFA and delivering them to the appropriate landlord within 48 hours.

#### **e. RRHFA Payment Approvals**

All initial requests for assistance, and repeat requests for \$2,000.00 and above, are transmitted electronically to the RRHFA Director, Pinellas County Human Services Director, and City of St. Petersburg representative, or their designees, for joint (two) approvals when all eligibility documentation has been submitted. Requests for assistance from \$0.01 to \$299.99 are entered into Fund Manager by RRHFA staff and paid online or by check. Requests for assistance from \$300.00 to \$1999.99 are reviewed by the RRHFA program supervisor for approval or denial. This approval process may be updated from time to time to suit program needs.

## 2. RAPID REHOUSING ELIGIBILITY

### a. Documentation

RRH assistance is limited to low income Pinellas County households, with at least one adult aged 18 and older or a legally emancipated youth. Residents must provide documentation of citizenship, residency, identification, income, assets and need. For households with more than one adult/emancipated youth or families who seek assistance, documentation must be provided regarding each adult/emancipated youth's identification, income, and assets. If required documents do not exist or are unavailable, CMs and HNs will assist the applicant in obtaining needed documents. Financial assistance can be provided to assist in obtaining documentation. A provisional amount of \$60.00 can be issued directly to a pre-qualified applicant to assist with obtaining documentation. The CM shall work with each client to ensure the intended documentation is obtained. Receipts must be submitted to account for the provisional funds prior before further assistance is issued.

In the event that sufficient documentation is provided to process assistance, but one or more pieces of identification have expired, a check for the provisional amount may be issued by the RRHFA to the providing agency to allow the client to obtain updated identification. In this circumstance, the case may continue to be processed by the RRHFA without the need to wait for receipts. If a receipt for identification is not received prior to case closure, the RRHFA may submit evidence of the cashed check as proof of expenditure.

In rare instances, a restricted debit card may be provided directly to the client for the approved amount. All cards are time limited and must be returned to the RRHFA with receipts within seven days.

#### b. Fund Accountability and Reimbursement

Documents should be grouped by Client, with the Temporary Financial Assistance form for that client on top of each grouping of documents. For any Director-approved payments, an email of each Director's approval shall be attached to the client backup documentation. A summary spreadsheet should be submitted with the invoice, listing the items requested, by client in the same order in which the backup documentation is provided. The summary spreadsheet should include the client's name/ID number with each line, as well as a column listing the month that a client's original eligibility/documentation was submitted.
  - Upon reconciliation and approval of the monthly or bimonthly invoices for the RRH financial assistance pool, the County will reimburse the RRHFA for expenditures until the entire contracted financial assistance pool amount is reached. The RRHFA will then continue to submit separate monthly invoices but will draw down against the emergency assistance pool until it is extinguished or the term of the contract is reached. In the event that funds remain in the assistance pool at the end of the contract term, the remainder shall be remitted to the County within 30 days of the final reconciliation, or rolled over into the new contract term upon continuation of the program.
- **St. Petersburg General Fund Reimbursement:**
  - For applicants eligible for reimbursement by the City of St. Petersburg General Fund, an invoice will, instead, be submitted to the City for the RRH financial assistance, and will consist of a cover letter signed by an authorized Agency representative, required General Fund reimbursement documentation, a copy of the monthly bank account statement for the bank account in which the pool is held, and a report of the director-approved exception expenditures for the month. For any Director-approved payments, an email of each Director's approval shall be attached to the client backup documentation.
  - Upon reconciliation and approval of the monthly or bimonthly invoices for RRH financial assistance the City will reimburse the RRHFA who will then replenish the County-funded assistance pool. The RRHFA will then continue to submit eligible monthly invoices until the City General Fund balance is extinguished or the term of the contract is reached.
