

**RESOLUTION NO. 20 - 145**  
**ORDER EXTENDING STATE OF LOCAL EMERGENCY**

**WHEREAS**, the novel coronavirus and the respiratory disease it causes (“COVID-19”), is a pandemic that constitutes an ongoing Public Health Emergency; and

**WHEREAS**, on March 1, 2020, Governor Ron DeSantis issued Executive Order Number 20-51, declaring that appropriate measures to control the spread of COVID-19 in the State of Florida are necessary, and accordingly the State Surgeon General and State Health Officer declared that a Public Health Emergency exists in the State of Florida; and

**WHEREAS**, on March 9, 2020, Governor Ron DeSantis issued Executive Order Number 20-52 declaring a State of Emergency for the state of Florida in furtherance of efforts to respond to and mitigate the effects of COVID-19 throughout the state, and has extended the State of Emergency in subsequent Executive Orders; and

**WHEREAS**, since that time, the Governor has found it necessary and appropriate to issue additional Executive Orders to slow the spread of COVID-19, and has modified existing restrictions to implement a phased re-opening process, and has provided parameters for the conduct of permitted business operations, directed compliance with health and safety practices as established by the Centers for Disease Control and Prevention (CDC), and elaborated other restrictions and modifications to previous orders; and

**WHEREAS**, in order to fully and effectively respond to the developing threats posed by the novel coronavirus and its associated disease (COVID-19), and in coordination with ongoing emergency actions by the state and federal governments, the Pinellas County Board of County Commissioners (Board) passed Resolution 20-16 declaring a state of local emergency in Pinellas County (Resolution), and subsequently extensions and orders have been issued continuing the state of local emergency based on ongoing threats and taking whatever prudent action is necessary to ensure the health, safety, and welfare of the community; and

**WHEREAS**, because the trends in the facts and circumstances surrounding the COVID-19 pandemic have not substantially improved, and in order to support and accomplish the public health goals required by the

response to COVID-19 and to implement the guidance of the CDC as fully as possible, an order extending the state of local emergency in Pinellas County is necessary; and

**WHEREAS**, Section 252.38(3)(a)5, Florida Statutes, provides authority for a political subdivision such as Pinellas County to exercise emergency powers; and

**WHEREAS**, Pursuant to §252.38(1), Florida Statutes, and Pinellas County Charter section 2.04 (k), the County has jurisdictional authority over the entire county for emergency management purposes.

**NOW, THEREFORE, BE IT RESOLVED AND DECLARED** by the Board of County Commissioners of Pinellas County, Florida, this 20th day of October 2020:

- 1) That based on the facts and circumstances as outlined above there exists a legal and factual basis for the County to remain under a State of Local Emergency until 3:00 P.M. Friday October 30, 2020 and the State of Local Emergency is hereby extended until such time.

**Severability.**

Any provision(s) within this Order that conflict(s) with any State or Federal law or constitutional provision, or conflict(s) with or are superseded by a current or subsequently-issued Executive Order of the Governor or the President of the United States, shall be deemed inapplicable and deemed to be severed from this Order, with the remainder of the Order remaining intact and in full force and effect.
