RE: Illumination of Sunshine Skyway Bridge for Tampa Bay Rays

Dear Kris:

The Tampa Bay Rays have requested that the State of Florida Department of Transportation (FDOT) illuminate the Sunshine Skyway Bridge in the Rays' team colors for a week in the month of October or early November in anticipation of potential postseason series games.

FDOT has indicated that the approval of this request must include the support of the surrounding Counties including Pinellas.

The Pinellas County Board of County Commissioners has no objections to Tampa Bay Rays request and does not wish to restrict the lighting of the Sunshine Skyway Bridge as proposed.

Should you have questions or require additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Dave Eggers".
