Dear County Administrator Burton:

Congratulations on your agency's award for \$488,366.00 in federal funds over a two-year award period under the 2018 COPS Office STOP School Violence: School Violence Prevention Program (SVPP). The local cash match required for this award will be \$162,788.00. Your agency may use SVPP award funds to improve security at schools and on school grounds within your jurisdiction through evidence-based school safety programs.

A list of conditions that apply to your award is included in the SVPP Award Terms and Conditions in your award package. A limited number of agencies may be subject to an Additional Award Notification because of an ongoing federal civil rights investigation, other award review, or audit of your agency by the Department of Justice. If applicable to your agency, the Additional Award Notification is included at the end of this letter and is incorporated by reference as part of this letter. In addition, a limited number of agencies may be subject to Special Conditions because of high risk designation or other unique circumstances. If applicable to you agency, these Special Conditions will be found in an Award Document Supplement in your award package. You should read and familiarize yourself with these conditions. **To officially accept your award, the Award Document must be signed electronically via the Account Access tab in the COPS Office website at www.cops.usdoj.gov within 90 days from the date of this letter.**

COPS School Violence Prevention Program (SVPP) funding is awarded to states, units of local government, and Indian tribes. Your new ORI number is FL152ZZ and must be used when performing any grant management tasks associated with SVPP in the COPS Office Agency Portal for various system applications (e.g., progress reports, SF-425, extensions, modifications, and COPS Office Application Program, etc.). **This ORI number should only be used for SVPP and no other COPS Office programs.** The awarded Government Executive/ Financial Officer (GE/FO) will need to establish an electronic signature, which is critical for enabling an agency to sign important documents in the grant management process. Please contact the COPS Office Response Center at 800-421-6770 or send an email to askCopsRC@usdoj.gov to learn more and establish e-signatures.

The official award start date is 10/01/2018. Therefore, you can be reimbursed for allowable and approved expenditures made on or after this date. Please carefully review the Financial Clearance Memorandum (FCM) included in your award package to determine your approved budget, as the COPS Office may not have approved some of your requested items during the budget review process and award funds may only be used for approved items. The FCM will specify the final award amount and will identify any disallowed costs.

Supplemental materials for FY 2018 SVPP award recipients can be found at <https://cops.usdoj.gov/default.asp?Item=2958>. We strongly encourage you to visit this site immediately to access a variety of important and helpful documents that will assist you with the implementation and

management of your award, including the 2018 SVPP Award Owner's Manual, which specifies the legal, programmatic, and financial terms, conditions, and requirements of your award. In addition, the above website link include the forms and instructions necessary to begin drawing down funds for your award. Please also ensure that you print out a copy of your application and maintain it with your award file records.

Once again, congratulations on your 2018 SVPP award. If you have any questions about your award, please do not hesitate to call your Grant Program Specialist through the COPS Office Response Center at 800-421-6770.

Sincerely,

**2018 COPS Office STOP School Violence: School Violence Prevention Program (SVPP)
Award Terms and Conditions**

By signing the Award Document to accept this COPS Office STOP School Violence: School Violence Prevention Program (SVPP) award, your agency agrees to abide by the following award terms and conditions:

1. Award Owner's Manual. The recipient agrees to comply with the terms and conditions in the applicable 2018 COPS Office Program Award Owner's Manual; Students, Teachers, and Officers Preventing (STOP) School Violence Act of 2018 (34 U.S.C. § 10551, et seq.); the requirements of 2 C.F.R. Part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards) as adopted by the U.S. Department of Justice in 2 C.F.R. § 2800.101; 48 C.F.R. Part 31 (FAR Part 31) as applicable (Contract Cost Principles and Procedures); the Cooperative Agreement as applicable; representations made in the application; and all other applicable program requirements, laws, orders, regulations, or circulars.

2. Assurances and Certifications. The recipient acknowledges its agreement to comply with the Assurances and Certifications forms that were signed as part of its application.

3. Allowable Costs. The funding under this award is for the payment of approved costs for SVPP purposes. The allowable costs approved for your agency's award are limited to those listed in the Financial Clearance Memorandum (FCM), which is included in your agency's award package. The FCM specifies the costs that your agency is allowed to fund with your award. In accordance with 2 C.F.R. § 200.400, the recipient must forgo any profit or management fee. Your agency may not use award funds for any costs not identified as allowable in the FCM.

4. Comprehensive School Safety Assessments. Recipients awarded funding through the SVPP must conduct comprehensive school safety assessments for all schools involved in the funded project within the 24-month grant implementation period. The assessments should be completed as soon as possible as they can be used as strategic evaluation tools to identify school safety issues and potential resolutions. This condition can be waived for recipients that can demonstrate that comprehensive school safety assessments have already been performed or updated within the previous three years. The COPS Office will monitor SVPP grants to ensure that recipients comply with this condition.

5. Extensions. Your agency may request an extension of the award period to receive additional time to implement your award program. Such extensions do not provide additional funding. Only those recipients that can provide a reasonable justification for delays will be granted no-cost extensions. Extension requests must be received prior to the end date of the award. 2 C.F.R. § 200.308(d)(2).

6. Modifications. Award modifications under the SVPP are evaluated on a case-by-case basis in accordance with 2 C.F.R. § 200.308. For federal awards in excess of \$250,000, any modification request involving the reallocation of funding between budget categories that exceed or are expected to exceed 10 percent (10%) of the total approved budget requires prior written approval by the COPS Office. Regardless of the federal award amount or budget modification percentage, any reallocation of funding is limited to approved budget categories. In addition, all modification requests involving new budget items or any budget modification that changes the scope of the project requires prior written approval by the COPS Office prior to their implementation. Please be aware that the COPS Office will not approve any modification request that results in an increase of federal funds.

7. Information Sharing with Law Enforcement. Recipients are required to ensure that schools within

their jurisdiction share school threat information and data with the appropriate local law enforcement agencies..

8. Reports/Performance Goals. To assist the COPS Office in monitoring and tracking the performance of your award, your agency will be responsible for submitting quarterly programmatic progress reports that describe project activities during the reporting period and quarterly Federal Financial Reports using Standard Form 425 (SF-425). 2 C.F.R §§ 200.327 – 200.328. The progress report is used to track your agency's progress toward implementing school safety strategies and to collect data to gauge the effectiveness of increasing the recipient's capacity to improve school safety through COPS Office funding. The Federal Financial Report is used to track the expenditures of the recipient's award funds on a cumulative basis throughout the life of the award.

9. Award Monitoring Activities. Federal law requires that recipients receiving federal funding from the COPS Office must be monitored to ensure compliance with their award conditions and other applicable statutory regulations. The COPS Office is also interested in tracking the progress of our programs and implementing evidence-based school safety strategies and programs. Both aspects of award implementation — compliance and programmatic benefits — are part of the monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office include site visits, office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. As a COPS Office award recipient, you agree to cooperate with and respond to any requests for information pertaining to your award. This includes all financial records, such as general accounting ledgers and all supporting documents. All information pertinent to the implementation of the award is subject to agency review throughout the life of the award, during the close-out process and for three-years after submission of the final expenditure report. 2 C.F.R. § 200.328(e), and 2 C.F.R. §§ 200.333 and 200.336.

10. Federal Civil Rights. The Applicant understands that the federal statutes and regulations applicable to the award (if any) made by the Department based on the application specifically include statutes and regulations pertaining to civil rights and nondiscrimination, and, in addition—

a. the Applicant understands that the applicable statutes pertaining to civil rights will include section 601 of the Civil Rights Act of 1964 (42 U.S.C. § 2000d); section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794); section 901 of the Education Amendments of 1972 (20 U.S.C. § 1681); and section 303 of the Age Discrimination Act of 1975 (42 U.S.C. § 6102);

c. the Applicant understands that it must require any subrecipient to comply with all such applicable statutes (and associated regulations); and

d. on behalf of the Applicant, I make the specific assurances set out in 28 C.F.R. §§ 42.105 and 42.204.

Part 2800 (the DOJ "Part 200 Uniform Requirements") and 28 C.F.R. Parts 22

A. Reporting of Matters Related to Recipient Integrity and Performance

1. *General Reporting Requirement*

If the total value of your currently active awards, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2. of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. *Proceedings About Which You Must Report*

Submit the information required about each proceeding that:

a. Is in connection with the award or performance of an award, cooperative agreement, or procurement contract from the Federal Government;

b. Reached its final disposition during the most recent five year period; and

c. Is one of the following:

(1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5. of this award term and condition;

(2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty,

reimbursement, restitution, or damages of \$5,000 or more;

(4) Any other criminal, civil, or administrative proceeding if:

i. It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;

ii. It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and

iii. The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2. of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

4. Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1. of this award term and condition, you must report proceedings information through SAM for the most recent five year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. Recipients that have Federal contract, award, and cooperative agreement awards with a cumulative total value greater than \$10,000,000 must disclose semiannually any information about the criminal, civil, and administrative proceedings.

5. Definitions

For purposes of this award term and condition:

a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract or award. It does not include audits, site visits, corrective plans, or inspection of deliverables.

b. Conviction, for purposes of this award term and condition, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.

c. Total value of currently active awards, cooperative agreements, and procurement contracts includes —

(1) Only the Federal share of the funding under any Federal award with a recipient cost share or match; and

(2) The value of all expected funding increments under a Federal award and options, even if not yet

exercised.

25. Computer Network Requirement. Overall Comments:

All costs listed in this budget were programmatically approved based on the final Budget Detail Worksheets submitted by your agency to the COPS Office. Maintenance agreements (if applicable) must be purchased and paid in full within the award period. Prior to the obligation, expenditure or drawdown of award funds for non-competitive contracts in excess of \$250,000, the recipient must submit a sole source justification to the COPS Office for review and approval. Prior to the obligation, expenditure, or drawdown of award funds for consultant fees in excess of \$650 per day when the consultant is hired through a noncompetitive bidding process, approval must be obtained from the COPS Office. If the vendor number on this form differs from the EIN number included in your application, then for administrative purposes only, we are assigning a different vendor number to your agency. The reason for this administrative change is that your original EIN number has been assigned to another agency. If this applies to your agency, please use the new vendor number on all financial

documents related to this award. The vendor number should not be used for IRS purposes and only applies to this award.

Additional Comments:

Budget is approved for the COPS Office SVPP purpose areas under 34 U.S.C. § 10551(b)(5)-(9). Technology and Equipment funded under SVPP must be compliant with all applicable codes, including building and life safety codes. Award funds must not be intermingled with funding from previous grants.
