<b>Direction of Inquiry</b>	General Information
<b>Subject</b>	Walsingham Mountain Bike Trail Proposal
<b>Message</b>	Hi, I am writing to voice my support of the proposed mountain bike trail project for Walsingham Park. In my experience, S.W.A.M.P. has done an outstanding job building and maintaining the trails at Alafia River State Park. When conceived and maintained properly, these trails will be an excellent outdoor resource for the many enthusiasts who live in Pinellas that have to travel to Hillsborough and beyond to find a proper riding spot. S.W.A.M.P. has proven over the years they have the community support and wherewithal to promote and maintain a high-quality system and keep conservation of the site a priority. Best, Vic Donati

Your Stand on the Issue Support

Comments I support the natural surface trails that SWAMP is proposing. Pinellas county needs these type of trails for hiking, running and biking. Too long have the type of trails being proposed been absent in Pinellas county!

**Subject** Walsingham Park Off Road Bicycle Trails

---

**Message** Pinellas Co. has done a great job of providing access to road bicycles by re dividing roadways for bicycle lanes, wider sidewalks and The Pinellas Trail. Taxpayer funds and street maintenance budget has been used to make these changes and with these changes there are still risks associated while cycling with automobiles and traffic. Pinellas Co. now has an opportunity to provide for its residents a way to enjoy off road cycling, not be on the road ways and not having to travel to a different counties to enjoy off road cycling. The proposed off road bike trails at Walsingham Park is a low to no cost, maintenance provided option so residents don't have to share the roadways with vehicles to enjoy cycling. This opportunity proposed by an already established and proven bicycle organization will have marked and maintain trails with maps so all residents either walking, riding or wheel chaired can enjoy the experience of the proposed trail system. The great work and superior off road trails provided in other counties can be a reality in Pinellas County. Please approve this proposal.

Comments

I support the addition of mountain biking trails at Walsingham Park. I grew up just a couple miles from the park, and this would have been an incredible feature at the park for kids, families, and adults. Each of our county and city parks (and other facilities) throughout Pinellas offer a fantastic variety of activities and amenities. From beaches, to disc golf, to outdoor gyms, to kayak launches, to the Pinellas Trail, there are so many great ways to get outdoors and have fun in our community. These are the types of gems that are the envy of other cities, and what truly contributes to our incredible quality of life here in the Tampa Bay region. Thank you!
