Keep --Mask Ordinance Vote October 6th	I am writing again to ask that you KEEP THE MASK ORDINANCE IN PLACE. In light of what we have seen in the past week, I am hoping it is very clear that masks make a huge difference. We are just seeing the beginning of another national spike, numbers are up in Pinellas County and we must protect each other during this flu season. Thank you for your time and consideration. Covid and masks	If you people have any inkling to do away with the mask mandate at your meeting this week you need your heads examined. Now the country is getting lax and the national cases is over 50,000 cases a day. Don't be like our lax Governor who think about nothing but money. Without life there will be no need for money. Thank you.	James F Matthews	5891 42 Ave north	Saint Petersburg	33709	7273473062	pops6013@tampabay.rr.com	10/4/2020 9:07
