Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

The agreement establishes PCL Construction, Inc. as the design-builder for Pinellas County's Pump Station 16 Improvements project, outlining the scope, contract structure, and terms governing both design (Phase 1) and construction (Phase 2). It defines compensation, schedule requirements, bonding, insurance, and detailed responsibilities for delivering the project.*

Funding is available under Pump Station 016 Improvements, included in the FY26-FY31 Capital Improvement Plan, funded by the Sewer Renewal and Replacement Fund, in the amount of \$2,637,000.00.

The total project estimate is \$20.9M, with \$18.2M included in the FY26-FY31 Capital Improvement Plan as Future Financing, contingent on additional revenues, interfund borrowing, or bond issuance.
