Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This contract is Joint Project Agreement between the City of Pinellas Park and Pinellas County. The City will be designing and constructing a culvert replacement at 102nd Avenue North over Cross Bayou Canal. This is the City's asset but they will be constructing the culvert in a way that supports flood protection. The County shall be responsible for 50% of the construction estimate (up to \$400,000.00 of \$800,000.00); 50% of the post construction design estimate (up to \$7,500.00 of \$15,000.00); and up to \$62,952.85 of the of the \$133,705.40 design estimate. County payment to the City shall be on a reimbursement basis. If the total construction cost exceeds \$800,000.00 the County has the option to agree to the additional cost or terminate the agreement. If the County portion of the increased cost exceeds \$700,000.00 an amendment must be executed.

* The cost of this project is reflected in the budget for project 003800A Flood Prevention Program
