Direction of Inquiry	General Information
Subject	Bay Point Conservation Area
Message	I just returned from my walk through the Bay Pointe Conservation area (formerly Bay Pointe golf course) and thought it would be a great opportunity to thank my government leaders for setting this land aside for the neighborhood to enjoy. The area is a little patch of nature in the middle of a very congested county. In just the short period of time that the county has been managing the property, I have noticed an abundance of butterflies, songbirds and other creatures that are now calling this place home. It is such a respite after a hectic day that helps to restore my sanity. Thank you again for the great work you do for the residents of the county. P.S. I also want to thank you for the new sidewalks – I no longer need to worry about getting hit by a car while walking to the park.
