HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Condition(s)

1. Due Date: Within 60 Days of Award Release Date

Property Documentation is Required. Within 60 days of award issue date, the award recipient must submit documentation (deeds, titles, local land records, etc.) describing ownership of the property. Please submit the documentation without the **"Unofficial Copy"** watermark.

Program Specific Condition(s)

1. Due Date: Within 120 Days of Award Issue Date

(177339-01) BEFORE WORK BEGINS on the project, the award recipient must record a Notice of Federal Interest (NFI) in the appropriate official records of the jurisdiction in which the property is located. A notarized and recorded copy of the NFI must be submitted into HRSA's Electronic Handbook. A sample NFI is available at: <https://bphc.hrsa.gov/program-opportunities/funding-opportunities/capital-development>

2. Due Date: Within 120 Days of Award Issue Date

(177339-01)

The award recipient must consult with the HRSA Project Officer and environmental reviewer to determine if other environmental compliance reviews are required for the proposed project. Additional information will be provided within 120 days of award to identify the extent of the information that will be needed for this specific project. This information may include an Environmental Assessment (EA) under NEPA, consultation under Section 106 of the National Historic Preservation Act with the State Historic Preservation Officer (SHPO) / Tribal Historic Preservation Officer (THPO) (and any other consulting parties if identified), a hazardous materials survey, Coastal Zone Consistency Determination, Floodplain Management, Environmental Justice, etc. The documentation must be completed and submitted to HRSA for review and approval. This condition must be approved and lifted from the Notice of Award prior to initiating any physical site preparation, demolition, alteration and renovation, or construction related to the project. Funds may only be drawn down for pre-construction activities, such as the purchase of moveable equipment, completion of architectural and engineering plans, licensing and permitting requirements, State Historic Preservation Office/Tribal Historic Preservation Office consultation, and preparation of the EA or related testing and surveys. Additional information is available at: <https://bphc.hrsa.gov/about/nepa-nhpa/capital-development.html>

3. Due Date: Within 60 Days of Award Release Date

(177339-01) Within 60 days of this Notice of Award, the award recipient must submit schematic drawings including floor plan(s) and, if applicable to the project, a site plan that provide clear and complete information on the project into HRSA's Electronic Handbook to support the requested funding amount for this project. Floor plans/site plans must be drawn to scale including proposed exam rooms, waiting area, etc. Documents must include rough dimensions for major project components. Drawings should clearly identify the project components that are being proposed, as well as distinguishing improved space from unaffected space. Contact the assigned Project Officer for additional information.

Grant Specific Term(s)

- The funds for this award are sub-accounted in the Payment Management System (PMS) and will be in a P type (sub accounted) account. This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. If your organization previously received a grant under this program, it was in a G type (cash pooled) account designated by a PMS Account Number ending in G or G1. Now that this grant is sub accounted the PMS Account Number will be changed to reflect either P or P1. For example, if the prior year grant was in payee account number 2AAG it will now be in 2AAP. Similarly, if the prior year grant was in payee account 2AAG1, the grant will be in payee account 2AAP1. The P sub account number and the sub account code (provided on page 1 of this Notice of Award) are both needed when requesting grant funds. You may use your existing PMS username and password to check your organizations P account access. If you do not have access,

complete a PMS Access Form (PMS/FFR Form) found at: <https://pms.psc.gov/grant-recipients/access-newuser.html> and send it to the fax number indicated on the bottom of the form. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at: <https://pms.psc.gov/find-pms-liaison-accountant.html>.

2. As required by the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109–282), as amended by section 6202 of Public Law 110–252, recipients must report information for each subaward of \$25,000 or more in Federal funds and executive total compensation, as outlined in Appendix A to 2 CFR Part 170. You are required to submit this information to the FFATA Subaward Reporting System (FSRS) at <https://www.fsrs.gov/> by the end of the month following the month in which you awarded any subaward. The FFATA reporting requirements apply for the duration of the project period and so include all subsequent award actions to aforementioned HRSA grants and cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (non-competing continuation), etc.). Subawards to individuals are exempt from these requirements. For more information, visit: <https://www.hrsa.gov/grants/ffata.html>.
3. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under “Expanded Authority,” as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See “Prior-Approval Requirements” in the DHHS Grants Policy Statement: <http://www.hrsa.gov/grants/hhsgrantspolicy.pdf>

Program Specific Term(s)

1. This Notice of Award (NoA) is issued to inform your organization that the application submitted through the Capital Assistance for Disaster Response and Recovery Efforts (CADRE) funding opportunity (HRSA-20-097) has been selected for funding. The CADRE Program as authorized by the Additional Supplemental Appropriations for Disaster Relief Act, 2019, P.L. 116-20, and section 330 of the Public Health Service Act, as amended (42 U.S.C. 254b), included funds to assist health centers with at least one service delivery site in areas declared by the Federal Emergency Management Agency (FEMA) to have been impacted by Hurricanes Florence and Michael, Typhoon Mangkhut, Super Typhoon Yutu, and wildfires and earthquakes occurring in calendar year 2018; and/or tornadoes or floods occurring in calendar year 2019 in those areas for which a major disaster or emergency has been declared under Section 401 or 501 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170 and 5191) to respond and recover from emergency and/or disaster impacts, and/or increase the capacity and capability to respond to and/or recover from future emergencies and/or disasters, and support continuity of access to high quality primary care services for underserved and vulnerable populations. Additional terms conditions, and/or additional actions may be applied to this NoA if outstanding programmatic compliance issues are identified by HRSA.
2. On September 15, 2010, the United States Department of Justice published revised Americans with Disabilities Act (ADA) regulations in the Federal Register that update and amend some of the provisions in the original 1991 ADA regulations (see <http://www.ada.gov/>). These changes include revised accessibility standards, called the 2010 Standards for Accessible Design (2010 Standards), which establish minimum criteria for accessibility in design and construction (http://www.ada.gov/2010ADASTandards_index.htm).
3. Pursuant to existing law, and consistent with Executive Order 13535 (75 FR 15599), health centers are prohibited from using Federal funds to provide abortion services (except in cases of rape or incest, or when the life of the woman would be endangered).
4. An award recipient may acquire a variety of commercially available goods or services in connection with a grant-supported project or program. Award recipients may use their own procurement procedures that reflect applicable state and local laws and regulations, as long as those procedures conform to the following applicable U.S. Department of Health and Human Services (HHS) regulations: HHS regulations at 45 Code of Federal Regulations (CFR) 75 UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR HHS AWARDS. States must follow the requirements at Title 45 CFR 75. Generally, States must follow the same policies and procedures they use for procurements from non-Federal funds. Local and Tribal governments must follow the requirements at 45 CFR 75.
5. Pre-award costs such as architect’s and consultant’s fees necessary to the planning and design of the project may be considered for funding as long as they are included in the application, are allowable costs, and were not incurred more than 90 days prior to award issue date. It should be noted that such pre-award costs are undertaken at the applicant’s risk and require prior approval. Consultation with the Project Officer is needed to determine if such costs will be permitted.
6. Each project budget has a Federal Percentage Share based upon the award amount and the total allowable project costs. Grant funds can only be drawn down from the Payment Management System (PMS) as allowable costs are incurred. Unless otherwise authorized, draw down should be done in the same proportion as the grant is to total project costs in the approved budget. For example, for a project with a total allowable cost of \$100,000, and a federal contribution of \$75,000, the federal share is 75 percent. If \$100 in allowable costs are incurred, then \$75 of grant funds would be drawn down from PMS to pay this incurred cost, while the other \$25 will be paid by other sources of funds. The draw down percentage may be re-evaluated based on any modifications to the project that have been received from the grantee and approved by HRSA.
7. The preferred method for accomplishing construction development is by soliciting for competitive bids and then selecting the lowest responsive and responsible bid (where the contractor has adequately responded to the terms, conditions, and specification of the bid and

has the capability to satisfactorily perform the contract). However, some award recipients may wish to accomplish construction using their own work force (force account). The award recipient must justify the use of force account by demonstrating that it would be more cost effective and that qualified personnel are available to accomplish the work. Consultation with the Project Officer is needed to determine if force account labor will be permitted.

8. Applicants that are NOT required to file a Notice of Federal Interest, still acknowledge with the receipt of the Notice of Award that the Federal interest exists in real property and equipment and will be maintained in accordance with 45 CFR Part 75 UNIFORM ADMINISTRATIVE REQUIREMENTS FOR AWARDS AND SUBAWARDS TO INSTITUTIONS OF HIGHER EDUCATION, HOSPITALS, OTHER NONPROFIT ORGANIZATIONS, or 45 CFR Part 75 UNIFORM ADMINISTRATIVE REQUIREMENTS FOR GRANTS AND COOPERATIVE AGREEMENTS TO STATE AND LOCAL GOVERNMENTS, as applicable. The recipient shall maintain adequate documentation to track and protect the Federal Interest. For real property, adequate documentation will also include communications between the lessor and the lessee related to protecting such interest, in accordance with the standard award terms and conditions. Such documentation should be available for subsequent review by HRSA.
9. New and/or improved space resulting from the funded project, may only be used for purposes consistent with Section 330 of the Public Health Service (PHS) Act (42 U.S.C. §254b). Use of improved space for other purposes inconsistent with the Health Center Program requires Prior Approval.
10. If a Notice of Federal Interest (NFI) is required, HRSA's Federal interest is subordinate to all pre-existing mortgages or obligations recorded against the property. HRSA's Federal interest is also subordinate to loans and obligations identified in the CADRE application as sources of financing for the project. Future modifications and new mortgages and obligations will require prior approval.
11. Funds in this award are restricted and may not be drawn down until all program- and grant-specific conditions of the award have been met and lifted from the Notice of Award. The only exceptions to this restriction on drawdown are for limited pre-construction activities related to meeting one of these conditions, such as expenses for completing architectural and engineering plans, meeting licensing and permitting requirements, historic preservation consultation with the State Historic Preservation Office/Tribal Historic Preservation Office, and/or preparing the Environmental Assessment.
12. The award recipient does not have expanded authority under this program. Items that require prior approval from the awarding office as indicated in 45 CFR Part 75. HRSA has not waived cost-related or administrative prior approvals for recipients unless specifically stated on this Notice of Award] or 45 CFR Part 75, or the HHS Grants Policy Statement Prior-Approval Requirements, must be submitted in through the Electronic Handbook. Only responses to prior approval requests signed by the GMO and authorized under a Notice of Award are considered valid. award recipients who take action on the basis of responses from other officials do so at their own risk. Such responses will not be considered binding by or upon the HRSA.
HRSA requires award recipients to seek prior approval through the Electronic Handbook for: (a) all pre-award costs, (b) rebudgeting of funds between construction and nonconstruction work; (c) rebudgeting of project costs exceeding 25 percent of the total approved budget (inclusive of direct and indirect costs and Federal funds and required matching or cost sharing) for that budget period or \$150,000, whichever is less;. (d) changes in project scope, which occurs when the recipient proposes to change (or changes) the objectives, aims, or purposes identified in the approved application, including changing location, changing the approved design under a construction grant, eliminating a primary care delivery site, or making budget changes that cause a project to change substantially from that which was approved. Approval of a prior approval request may be conditioned by new terms and conditions that must be met and lifted from the Notice of Award prior to implementing work.
13. Although this NoA approves funds for the project, identified in the submitted application, HRSA may take action to withdraw the approval and funds for the project if subsequent events lead HRSA to conclude that a project as originally proposed is ineligible or cannot be completed. Subsequent events could include, but are not limited to, non-compliance with the implementation of the project (such as excessive drawdown, improper procurement, conflicts of interests, etc.), significant changes to the location or physical scope of the project without prior approval, or the identification of previously undocumented environmental or historic preservation issues that lead the HRSA to conclude that the proposed project cannot be carried out consistent with the eligibility and program requirements. If this occurs, please contact the assigned Project Officer to discuss.
14. The award recipient must submit an annual Federal Financial Report with expense data for the first twelve (12) months of the Budget Period. This report must be submitted using the Electronic Handbooks (EHB).

Standard Term(s)

1. Recipients must comply with all terms and conditions outlined in their grant award, including grant policy terms and conditions outlined in applicable Department of Health and Human Services (HHS) Grants Policy Statements, and requirements imposed by program statutes and regulations and HHS grant administration regulations, as applicable; as well as any requirements or limitations in any applicable appropriations acts.
2. All discretionary awards issued by HRSA on or after October 1, 2006, are subject to the HHS Grants Policy Statement (HHS GPS) unless

otherwise noted in the Notice of Award (NoA). Parts I through III of the HHS GPS are currently available at <http://www.hrsa.gov/grants/hhsgrantspolicy.pdf>. Please note that the Terms and Conditions explicitly noted in the award and the HHS GPS are in effect.

3. Acknowledgement of Federal Funding: When issuing statements (i.e. press releases, publications, bid solicitations...) regarding activities or products (tool-kits, resource guides, websites...), resulting from HRSA support, HRSA requires recipients must use the following acknowledgement and disclaimer on all products produced by HRSA funds:
"This [project/publication/program/website, etc.] [is/was] supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$XX with XX percentage funded by HRSA/HHS and \$XX amount and XX percentage funded by non-government source(s). The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA/HHS, or the U.S. Government."
For more information, please visit: <https://www.hrsa.gov/grants/manage/acknowledge-hrsa-funding>.
4. Recipients and sub-recipients of Federal funds are subject to the strictures of the Medicare and Medicaid anti-kickback statute (42 U.S.C. 1320a - 7b(b) and should be cognizant of the risk of criminal and administrative liability under this statute, specifically under 42 U.S.C. 1320 7b(b) Illegal remunerations which states, in part, that whoever knowingly and willfully: (A) Solicits or receives (or offers or pays) any remuneration (including kickback, bribe, or rebate) directly or indirectly, overtly or covertly, in cash or in kind, in return for referring (or to induce such person to refer) an individual to a person for the furnishing or arranging for the furnishing of any item or service, OR (B) In return for purchasing, leasing, ordering, or recommending purchasing, leasing, or ordering, or to purchase, lease, or order, any goods, facility, services, or itemFor which payment may be made in whole or in part under subchapter XIII of this chapter or a State health care program, shall be guilty of a felony and upon conviction thereof, shall be fined not more than \$25,000 or imprisoned for not more than five years, or both.
5. Items that require prior approval from the awarding office as indicated in 45 CFR Part 75 [Note: 75 (d) HRSA has not waived cost-related or administrative prior approvals for recipients unless specifically stated on this Notice of Award] must be submitted as a Prior Approval action via Electronic Handbooks (EHBs). Only responses to prior approval requests signed by the GMO are considered valid. Grantees who take action on the basis of responses from other officials do so at their own risk. Such responses will not be considered binding by or upon the HRSA.
In addition to the prior approval requirements identified in 45 CFR Part 75, HRSA requires grantees to seek prior approval for significant rebudgeting of project costs. Significant rebudgeting occurs when, under a grant where the Federal share of the project exceeds the Simplified Acquisition Threshold and the cumulative transfers among direct cost budget categories for the current budget period exceed 25 percent of the total approved budget (inclusive of direct and indirect costs and Federal funds and required matching or cost sharing) for that budget period.
6. Payments under this award will be made available through the DHHS Payment Management System (PMS). PMS is administered by the Division of Payment Management, Financial Management Services, Program Support Center, which will forward instructions for obtaining payments. Inquiries regarding payments should be directed to: ONE-DHHS Help Desk for PMS Support at 1-877-614-5533 or PMSSupport@psc.hhs.gov. For additional information please visit the Division of Payment Management Website at <https://pms.psc.gov/>.
7. The DHHS Inspector General maintains a toll-free hotline for receiving information concerning fraud, waste, or abuse under grants and cooperative agreements. Such reports are kept confidential and callers may decline to give their names if they choose to remain anonymous. Contact: Office of Inspector General, Department of Health and Human Services, Attention: HOTLINE, 330 Independence Avenue Southwest, Cohen Building, Room 5140, Washington, D. C. 20201, Email: Htips@os.dhhs.gov or Telephone: 1-800-447-8477 (1-800-HHS-TIPS).
8. Submit audits, if required, in accordance with 45 CFR Part 75, to: Federal Audit Clearinghouse Bureau of the Census 1201 East 10th Street Jefferson, IN 47132 PHONE: (310) 457-1551, (800) 253-0696 toll free <https://harvester.census.gov/facweb/default.aspx/>.
9. EO 13166, August 11, 2000, requires recipients receiving Federal financial assistance to take steps to ensure that people with limited English proficiency can meaningfully access health and social services. A program of language assistance should provide for effective communication between the service provider and the person with limited English proficiency to facilitate participation in, and meaningful access to, services. The obligations of recipients are explained on the OCR website at [HHS Limited English Proficiency \(LEP\)](#).
10. This award is subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. 7104). For the full text of the award term, go to: <https://www.hrsa.gov/sites/default/files/hrsa/grants/manage/trafficking-in-persons.pdf>. If you are unable to access this link, please contact the Grants Management Specialist identified in this Notice of Award to obtain a copy of the Term.
11. The Further Consolidated Appropriations Act, 2020, § 202, (P.L 116-94), enacted December 20, 2019, restricts the amount of direct salary that may be paid to an individual under a HRSA grant or cooperative agreement to a rate no greater than Executive Level II of the Federal Executive Pay Scale. Effective January 2020, the Executive Level II salary level is \$197,300. This amount reflects an individual's base salary exclusive of fringe benefits. An individual's institutional base salary is the annual compensation that the recipient organization

pays an individual and excludes any income an individual may be permitted to earn outside the applicant organization duties. HRSA funds may not be used to pay a salary in excess of this rate. This salary limitation also applies to sub-recipients under a HRSA grant or cooperative agreement. The salary limitation does not apply to payments made to consultants under this award although, as with all costs, those payments must meet the test of reasonableness and be consistent with recipient's institutional policy. None of the awarded funds may be used to pay an individual's salary at a rate in excess of the salary limitation. Note: an individual's base salary, per se, is NOT constrained by the legislative provision for a limitation of salary. The rate limitation simply limits the amount that may be awarded and charged to HRSA grants and cooperative agreements. For individuals whose salary rates are in excess of Executive Level II, the non-federal entity may pay the excess from non-federal funds.

12. To serve persons most in need and to comply with Federal law, services must be widely accessible. Services must not discriminate on the basis of age, disability, sex, race, color, national origin or religion. The HHS Office for Civil Rights provides guidance to grant and cooperative agreement recipients on complying with civil rights laws that prohibit discrimination on these bases. Please see <http://www.hhs.gov/civil-rights/for-individuals/index.html>. HHS also provides specific guidance for recipients on meeting their legal obligation under Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color or national origin in programs and activities that receive Federal financial assistance (P. L. 88-352, as amended and 45 CFR Part 75). In some instances a recipient's failure to provide language assistance services may have the effect of discriminating against persons on the basis of their national origin. Please see <http://www.hhs.gov/civil-rights/for-individuals/special-topics/limited-english-proficiency/index.html> to learn more about the Title VI requirement for grant and cooperative agreement recipients to take reasonable steps to provide meaningful access to their programs and activities by persons with limited English proficiency.
13. Important Notice: The Central Contractor registry (CCR) has been replaced. The General Services Administration has moved the CCR to the System for Award Management (SAM) on July 30, 2012. To learn more about SAM please visit <https://www.sam.gov/SAM/>. It is incumbent that you, as the recipient, maintain the accuracy/currency of your information in the SAM at all times during which your entity has an active award or an application or plan under consideration by HRSA, unless your entity is exempt from this requirement under 2 CFR 25.110. Additionally, this term requires your entity to review and update the information at least annually after the initial registration, and more frequently if required by changes in your information. This requirement flows down to subrecipients. Note: SAM information must be updated at least every 12 months to remain active (for both grantees and sub-recipients). Grants.gov will reject submissions from applicants with expired registrations. It is advisable that you do not wait until the last minute to register in SAM or update your information. According to the SAM Quick Guide for Grantees (https://www.sam.gov/SAM/transcript/Quick_Guide_for_Grants_Registrations.pdf), an entity's registration will become active after 3-5 days. Therefore, check for active registration well before the application deadline.
14. **§75.113 Mandatory disclosures.**

Consistent with 45 CFR 75.113, applicants and non-federal entities must disclose, in a timely manner, in writing to the HHS awarding agency, with a copy to the HHS Office of Inspector General (OIG), all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Sub recipients must disclose, in a timely manner, in writing to the prime recipient (pass through entity) and the HHS OIG, all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Disclosures must be sent in writing to the awarding agency and to the HHS OIG at the following address:

Failure to make required disclosures can result in any of the remedies described in 45 CFR 75.371. Remedies for noncompliance, including suspension or debarment (See 2 CFR parts 180 & 376 and 31 U.S.C. 3321). The recipient must include this mandatory disclosure requirement in all sub-awards and contracts under this award.

Non-Federal entities that have received a Federal award including the term and condition outlined in Appendix XII are required to report certain civil, criminal, or administrative proceedings to www.sam.gov. Failure to make required disclosures can result in any of the remedies described in §75.371, including suspension or debarment. (See also 2 CFR parts 180 and 376, and 31 U.S.C. 3321).

Recipient integrity and performance matters. If the total Federal share of the Federal award is more than \$500,000 over the period of performance, [Appendix XII to CFR Part 200](#) is applicable to this award.

Reporting Requirement(s)

1. Due Date: Semi-Annually (Project Period) Beginning: Award Issue Date Ending: Project End Date, due 15 days after end of reporting period.

The award recipient will submit a Semi-Annual Progress Report (SAPR) for the approved project into the HRSA Electronic Handbook (EHB) every six months until the project is completed.

2. Due Date: Within 90 Days of Project End Date

The award recipient must submit within 90 days after the project end date the SF-428 (Tangible Personal Property Report) with the SF-428B (Final Report Attachment) and if applicable the SF-428S (Supplemental Sheet). These documents must be completed using the Electronic Handbooks (EHBs). The award recipient is required to report federally-owned property, acquired equipment with an acquisition cost of \$5,000 or more for which HRSA has reserved the right to transfer title, and residual unused supplies with total aggregate fair market value exceeding \$5,000. Records for equipment acquired with Federal funds shall be retained for three years after final disposal.

3. Due Date: Within 90 Days of Project End Date

Within 90 days of project completion, the award recipient must submit into HRSA's Electronic Handbook a final SF-424C budget page, budget justification, and equipment list (if applicable), with detailed line-item identification of both Federal and non-Federal (if applicable) funds, for the completed project.

4. Due Date: Within 90 Days of Project End Date

Within 90 days of project completion, the award recipient must scan and upload photographs, with brief descriptions, of the project prior to initiating work, during renovation/construction, and of the completed project, including exterior shots (front, rear of building), major rooms and examples of grant provided major equipment items, into the EHB for the approved project.

5. Due Date: Within 90 Days of Project End Date

Within 90 days of project completion, the award recipient will submit documentation for the approved project certifying that the project have been completed in accordance with the previously provided certified documents and in accordance with all mandatory requirements imposed on federally-assisted projects by specific laws enacted by Congress, Presidential Executive Orders, or Departmental Policy, as well as all applicable program standards, State codes, and local codes and ordinances. Be certain to use the Project Completion Certificate template provided at <https://bphc.hrsa.gov/program-opportunities/funding-opportunities/capital-development> when completing this requirement. Please upload the required documentation and attachments for the approved project into the HRSA Electronic Handbooks.

6. Due Date: Within 90 Days of Project End Date

It is expected that the award recipient will engage the services of an architect/engineer (A/E) to develop the pertinent construction documents as well as to administer the construction phase of the project(s). Accordingly, the award recipient will submit a statement attesting to the involvement of the A/E in the approved project. If the established deadline is not feasible, contact your Project Officer to request an extension. Be certain to use the Project Implementation Certificate template provided at <https://bphc.hrsa.gov/program-opportunities/funding-opportunities/capital-development> when completing this requirement. Please upload the required documentation for the approved project into the HRSA Electronic Handbooks.

7. Due Date: Annually (Budget Period) Beginning: Budget Start Date Ending: Budget End Date, due Quarter End Date after 90 days of reporting period.

The grantee must submit an annual Federal Financial Report (FFR). The report should reflect cumulative reporting within the project period and must be submitted using the Electronic Handbooks (EHBs). The FFR due dates have been aligned with the Payment Management System quarterly report due dates, and will be due 90, 120, or 150 days after the budget period end date. Please refer to the chart below for the specific due date for your FFR:

- Budget Period ends August – October: FFR due January 30
- Budget Period ends November – January: FFR due April 30
- Budget Period ends February – April: FFR due July 30
- Budget Period ends May – July: FFR due October 30

Failure to comply with these reporting requirements will result in deferral or additional restrictions of future funding decisions.
