Description & Comments

The grant application and MOU with the City of St. Petersburg, if approved, would provide Pinellas County Sheriff's Office (PCSO) with funding to purchase rifle-rated ballistic shields which will provide additional protection for PCSO deputies.

Funding from this grant is included in the FY26 PCSO Amended Budget as part of the annual \$2.250M available potential grants received by PCSO. These funds are held back until requested by the Sheriff. This allows for quicker disbursement of funds to the Sheriff while also reducing excess funding.
