Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is for the approval of a one-year Joint Funding Agreement with the United States Geological Survey (USGS), Department of Interior for the Caribbean-Florida Water Science Center Water Resource Investigations. The purpose of this Agreement is to continue funding the joint effort with the USGS to collect scientific data used to develop watershed management plans, design surface water management projects, and aid in compliance with the County's NPDES stormwater permit. The USGC will manage and perform the work. Data is utilized to meet the County's National Pollution Discharge Elimination System stormwater permit water quality requirements, watershed planning and stormwater modeling, and flood forecasting.

USGS will manage and perform the work for a total cost of \$318,400.00 for the one-year period starting May 1, 2025 to April 30, 2026. The County will contribute \$246,674.00 and the USGS will contribute \$71,726.00. The County's contribution to funding is included in the Public Works operating budgets. The Environmental Management Division will contribute \$223,143.00 and the Departments Operations and Watershed Planning Division will contribute \$23,531.00. In total, the County will contribute \$246,674.00, and the USGS will contribute \$71,726.00. Funding is included and consistent with the FY25 Adopted budget.
