**Comments:** 7/15/20 Approval and execution by the County Administrator of the Agreement with Operation PAR, Inc., (Operation PAR) for adult inpatient detoxification treatment. This Agreement fund adult inpatient detoxification which provides medically monitored substance detoxification along with counseling, case management, and group sessions to stabilize individuals. Operation PAR also connects clients to the Pinellas County Health Program for physical and mental health care. **Reviewed Staff Report and Agreement. Attached Historical Review for Funding Agreement with PAR, Inc. Applied same limits. Risk is moderate and limits reflect this.**

**Notes:** This Agreement provides funding for inpatient detoxification services for individuals dependent on drugs and/or alcohol. This program provides medically monitored substance detoxification along with counseling, case management, and group sessions to stabilize individuals. Operation PAR also connects and reconnects clients (as needed) with the Pinellas County Health Program to maintain client engagement in physical and mental health services.

Operation PAR is a comprehensive substance abuse service provider within Pinellas County. This Agreement supports capacity at Operation PAR's Adult Detoxification Program which plays a significant role as the first step toward recovery for Pinellas County adults and families struggling with addiction. County funding for personnel and operating costs helps to maintain the equivalent of roughly two (2) detox beds annually. Operation PAR utilizes evidence-based best practices to provide integrated substance abuse and mental health services to its clients.

In Fiscal Year 2019 (FY19), Operation PAR provided mental health and substance abuse detoxification treatment services to 1037 unduplicated clients and connected 88 clients to their Pinellas County Health Program Medical Home. In the first two quarters of FY20 (Oct 1 - Mar 31), Operation PAR served 481 unduplicated clients with 64 clients being connected to their Pinellas County Health Program Medical Home.
