Description and Comments

This is an intent to apply for the **E911 State Grant Program** through **Florida Department of Management Services**.

Project Scope of Work

If awarded, this grant will benefit the County by replacing hardware for the 911 call handling system. Replacement will prevent the degradation of the system allowing 911 calls to continue to be handled efficiently and accurately.

Benefit Summary

This grant will be **single-year** and single-departmental, which will likely **impact Fiscal Year 2024**. Safety and Emergency Services has begun coordination with the Florida Department of Management Services. The grant will be administered by the Safety and Emergency Services Department in close coordination with Florida Department of Management Services.

Impact to the County Budget

The total application amount requested is **\$1,918,398.20** with **\$0.00 match** required. There are no additional funding sources associated with this project. The **total project budget is \$1,918,398.20**.

Funding is not in the current budget and a future budget amendment will be proposed.

This grant application will require Board approval for submission.

OMB has no objection to the submittal of this application.
