### **Case CW 24-11 – Submitted by Pinellas County – 1.7 acres m.o.l.**

From: Residential Low Medium & Preservation  
To: Retail & Services  
Location: 29703 US Highway 19 N, Clearwater

The current Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre. The current Preservation category is intended to recognize natural resource features worthy of preservation and those areas of the county that are now used, or are appropriate to be used, for the conservation, production, and management of the regional potable water supply and the supporting infrastructure, consistent with the natural resources of the area.

The proposed Retail & Services category is used to depict areas developed with a mix of businesses that provide for the shopping and personal service needs of the community or region, provide for employment opportunities and accommodate target employment uses, and may include residential uses as part of the mix of uses.

### **Case CW 24-12 – Submitted by City of Largo – 1.54 acres m.o.l.**

From: Public/ Semi-Public and Target Employment Center  
To: Employment and Target Employment Center  
Location: 13707 58th St N, Largo

The current Public/Semi-Public category is intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds established in other plan categories, and which are consistent with the need, character, and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features, and may include residential uses as part of the mix of uses. The proposed Employment category is used to depict areas that are developed with, or appropriate to be developed with, a wide range of employment uses, including primary industries (i.e., those with a customer base that extends beyond Pinellas County), allowing for flex space, and for uses that have minimal external impacts.

The current and proposed Target Employment Center category is an overlay used to depict those areas of the county that are now developed, or appropriate to be developed, in a concentrated and cohesive pattern to facilitate employment uses of countywide significance.

In review of the ordinance(s) above, there may be modifications that arise at the public hearing and/or with other responsible parties.

The proposed ordinance(s) can be viewed at the Forward Pinellas office, 310 Court St., 2nd Floor, Clearwater, FL, 33756-5137. In addition, you may call Forward Pinellas at (727) 464-8250 or email your questions to [info@forwardpinellas.org](mailto:info@forwardpinellas.org).

The subsequent action of the CPA may amend the Countywide Plan Map from the existing plan category to another plan category as may be determined appropriate based on the public hearings and consistent with the Countywide Plan and procedures related thereto.
