Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is for the adoption of a resolution to establish Municipal Services Taxing Unit Special Project Funding Program guidelines. The program was created in Fiscal Year 2016 by the Board of County Commissioners to support nonprofits in the Unincorporated areas. The resolution will establish a formal policy for the Municipal Services Taxing Unit special projects funding program that will establish clear and consistent guidelines for entities that apply for funding requests. Funding awards will increase to \$25,000 per approved project.

Since FY16, an annual allocation of \$220,000 has been budgeted for potential MSTU projects, subject to Board approval. Cumulative allocations for the eleven years from FY16 to FY26 total \$2,420,000. There is a total of \$310,108.94 remaining available balance for Board approved MSTU projects with \$2,109,891.06 spent and or committed to date.

There is no fiscal impact associated with the adoption of this resolution.
