Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is to authorize the Chairman to sign and the Clerk of the Circuit Court to attest, the approval and execution of the amended and restated agreement with Frontier Communication Services, as requested by BTS and SES, for requirements of ethernet services. The amended and restated agreement revises the current agreement term with a 3-year extension through September 2, 2028, 3 additional circuit schedules for SES, 4 new circuit schedules for BTS, and revisions to terms and conditions providing for termination and modification of circuits and cooperation between contractors to allow for circuit redundancy requirements. The increase of \$1,997,982.48 is requested for a revised total expenditure of \$4,489,948.49. The total request for SES is \$1,760,446.48 (\$160,256.72 basic and \$1,600,189.76 non-basic charges). The total request for the BTS is \$237,536.00.

SES funding for this contract is consistent and included in the FY24 adopted budget and the FY25 budget request. BTS funding for this contract is consistent and included in the FY24 adopted budget and the FY25 budget request.
