WHEREAS, the DEPARTMENT and the COUNTY have determined that it would be in the best interest of the general public and to the economic advantage of both parties to coordinate and cooperate in their efforts to facilitate development of the PROJECT providing for the Project work and reimbursement for such;

NOW, THEREFORE, for and in consideration of the premises herein and other mutual benefits to accrue to each of the parties hereto, it is mutually agreed as follows:

SECTION 1 OBLIGATIONS OF THE COUNTY

1.1 The COUNTY agrees to issue a task work order to their existing construction contract. The COUNTY shall ensure that the work is performed in accordance with the DEPARTMENT's Standard Specifications for Road and Bridge Construction (2019) and the terms and conditions of this Agreement. The COUNTY shall not allow work to commence on the PROJECT until receipt from the DEPARTMENT of a written notice to proceed.

1.2 All tracings, plans, specifications, maps and/or reports prepared or obtained under this Agreement shall be considered work made for hire and shall become the property of the DEPARTMENT without restriction or limitation on their use. The DEPARTMENT will have the right to visit the PROJECT site for inspection of the work at any time.

1.3 The COUNTY shall keep complete records and accounts in order to record complete and correct entries as to all costs, expenditures, and other items incidental to the cost of the PROJECT.

1.4 The COUNTY shall provide a Construction Coordinator as point of contact to coordinate construction activities with Stephanie Galvan, Construction Office at 813-975-6016 for inspection services.

1.5 The COUNTY shall notify the DEPARTMENT prior to entering into any supplemental agreements or change orders that would increase cost of construction over and above the PROJECT budget amount of \$1,255,220.00. No supplemental agreement or change orders shall be executed by the COUNTY and its contractor until the DEPARTMENT grants approval.

SECTION 2 OBLIGATIONS OF THE DEPARTMENT

2.1 The DEPARTMENT agrees to reimburse the COUNTY up to the maximum amount of One Million Two Hundred Fifty-Five Thousand Two Hundred Twenty Dollars (\$1,255,220.00) for completion of the PROJECT as provided in Exhibit "B".

SECTION 3 COMPENSATION AND PAYMENT

3.1 The DEPARTMENT agrees to reimburse the COUNTY for the services described in Exhibit "A".

3.2 The COUNTY shall provide quantifiable, measurable and verifiable units of deliverables. Each deliverable must specify the required minimum level of services to be performed and the criteria for evaluating successful completion. The project, identified as FPN 256774 4 A8/58 01, and quantifiable, measurable, and verifiable units of deliverables are described more fully in Exhibit "A".

3.3 Invoices shall be submitted by the COUNTY in detail sufficient for a proper pre-audit and post audit based on the quantifiable, measurable and verifiable units of deliverables as established in Exhibit "A". Deliverables must be received and accepted in writing by the DEPARTMENT'S Project Manager prior to payments.

3.4 Supporting documentation must establish that the deliverables were received and accepted in writing by the COUNTY and must also establish that the required minimum level of service to be performed based on the criteria for evaluating successful completion as specified in Exhibit "A" was met.

3.5 There shall be no reimbursement for travel expenses under this Agreement.

3.6 Payment shall be made only after receipt and approval of good and services unless advance payments are authorized by the Chief Financial Officer of the State of Florida under Chapter 215 and 216, F.S. If the DEPARTMENT determines that performance of the COUNTY is unsatisfactory, the DEPARTMENT shall notify the COUNTY of the deficiency to be corrected, which correction shall be made within a time-frame to be specified by the DEPARTMENT. The COUNTY shall, within five days after notice from the DEPARTMENT, provide the DEPARTMENT with a corrective action plan describing how the COUNTY will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverables deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to the DEPARTMENT, the COUNTY shall be assessed a non-performance retainage equivalent to 10% of the total invoice amount. The retainage shall be applied to the invoice for then-current billing period. The retainage shall be withheld until the COUNTY resolves the deficiency. If the deficiency is subsequently resolved, the COUNTY may bill the DEPARTMENT for the retained amount during the next billing period. If the COUNTY is unable to resolve the deficiency, the funds retained may be forfeited at the end of the Agreement's term.

A party providing goods and services to the Department should be aware of the following time frames. Inspection and approval of goods or services shall take no longer than 5 working days unless the bid specification, purchase order, or contract specifies otherwise. The Department has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved.

If a payment is not available within 40 days, a separate interest penalty at a rate as established pursuant to **Section 55.03(1), F.S.**, will be due and payable, in addition to the invoice amount, to the COUNTY. Interest penalties of less than one (1) dollar will not be enforced unless the COUNTY requests payment. Invoices that have to be returned to a COUNTY because of COUNTY preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the DEPARTMENT.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for COUNTY who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 413-5516.

3.7 The Other Party shall maintain an accounting system or separate accounts to ensure funds and projects are tracked separately. Records of costs incurred under the terms of this Agreement shall be maintained and made available upon request to the DEPARTMENT at all times during the period of this Agreement and for five years after final payment is made. Copies of these documents and records shall be furnished to the DEPARTMENT upon request. Records of costs incurred include the COUNTY's general accounting records and the project records, together with supporting documents and records, of the contractor and all subcontractors performing work on the project, and all other records of the Contractor and subcontractors considered necessary by the DEPARTMENT for a proper audit of costs.

3.8 In the event this contract is for services in excess of \$25,000.00 and a term for a period of more than 1 year, the provisions of Section 339.135(6)(a), F.S., are hereby incorporated:

“The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding one 1 year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of \$25,000 and which have a term for a period of more than 1 year”.

3.9 The DEPARTMENT's obligation to pay is contingent upon an annual appropriation by the Florida Legislature.

3.10 This contract does not involve the purchase of Tangible Personal Property, as defined in Chapter 273, F.S.

SECTION 4 INDEMNITY AND INSURANCE

4.1 When either party receives notice of claim for damages that may have been caused by the other party in the performance of services required under this AGREEMENT, that party will immediately forward the claim to the other party. Each party will evaluate the claim, and report its findings to each other within fourteen (14) working days and jointly discuss options in defending the

claim. A party's failure to promptly notify the other of a claim will not act as a waiver or any right herein.

4.2 The COUNTY agrees to include the following indemnification in all contracts with its contractors/subcontractors, consultants/sub consultants who perform work in connection with this Agreement:

"Each contractor/consultant shall indemnify, defend, save and hold harmless the DEPARTMENT and all of its officers, agents or employees from all suits, actions, claims, demands, liability of any nature whatsoever arising out of, because of, or due to, any intentional act and/or negligent act or occurrence or omission or commission of the contractor, its officers, agents or employees. Neither the contractor/subcontractor, consultant/sub consultant, nor any of its officers, agents or employees will be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of the DEPARTMENT or any of its officers, agents or employees."

4.3 The COUNTY shall require any and all contractors, subcontractors, consultants and subconsultants it may enter agreements with in connection with the PROJECT to cause the DEPARTMENT to be made an additional insured on any and all liability policies providing coverage to said contractors, subcontractors, consultants and subconsultants for their operations relating to the PROJECT.
