Honorable Chairman and Members of the Board of County Commissioners,

I am writing this letter on behalf of the Pinellas County EMS Advisory Council in support of growth management initiatives that were briefed by staff at our meeting on December 14, 2018.

After thorough review and consideration of the Growth Management Plan the EMS Advisory Council overwhelmingly supports this plan of "sending the right resource, the right way, at the right time."

Please contact me at 727-581-9069 if you have any questions or request additional information from your EMS Advisory Council.

Respectfully,

Dr. Kenneth Webster, Vice-Chair
Pinellas County EMS Advisory Council
