Fiscal Year(s)	FY24-FY27		

Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This item is a request for approval from the BCC on the State of Florida Department of Environmental Protection Resilient Florida Program Grant Standard Grant Agreement for Crystal Beach Drainage Improvements, project 003896A.

Through this grant agreement, FDEP will provide funding in the amount of \$6,162,000 to Pinellas County for design and construction and requires an equal County match of \$6,162,000. The agreement term is from 7/1/24 thru 6/30/27.

Funding for this agreement is available under Crystal Beach Drainage Improvements, project 003896A, included in the FY26-FY31 Capital Improvement Plan, funded by the Capital Fund. The County match of \$6,162,000 is reflected in the plan and funded by Penny for Pinellas. The FDEP award is reflected in the CIP for \$6,112,000 and should be increased to \$6,162,000 for FY27-FY32. This change will offset Penny for Pinellas funding.

- The agreement term is 7/1/24 thru 6/30/27, however, Attachment 2 – Special terms and Conditions: Match Requirements states expenditures dating back to 7/1/21 may be used as match.
