Re: CareerSource Pinellas Board of Directors Membership

Dear Mr. Geller:

CareerSource Pinellas does great work to assist residents in our county obtain employment and improving their lives. I respect the work done by CareerSource Florida and these efforts will continue to receive the support of St. Petersburg College.

On September 14, 2017, I had the honor of being approved to serve on the CareerSource Pinellas Board of Directors. I have also been invited to join the Workforce Solutions and One-Stop Committees as well. Despite my best intentions, my schedule has not allowed me to be an active participant and meet the responsibilities of a board member. It is with great regret that I submit this letter of resignation as a Board of Director for CareerSource Pinellas, Workforce Solutions and One-Stop Committees.

As you know, Ms. Andrea Henning, SPC's Executive Director Collaborative Labs and the Workforce Institute has been attending the meetings as my representative. I respectfully nominate Andrea to represent St. Petersburg College and ask that you consider her application to serve on the CareerSource board, Workforce Solutions and One-Stop.

Thank you for your kind consideration. You have my very best wishes for continued success on behalf of our community. We look forward to fostering a great collaborative working relationship and meeting the needs of the communities we serve.

Sincerely,

Tonjua Williams, Ph.D.
President
