**Pinellas CARES
Financial Assistance**

April 24, 2020

I. POLICY:

The Pinellas County Board of County Commissioners has directed, through its Human Services Department, to provide Emergency Financial Assistance for low income residents that are suffering from financial hardship due to a qualifying emergency event and are unable to pay for past due rent, utilities, and other critical needs.

In March 2020, the United States began to see an increase in the incidence of the coronavirus disease 2019 (COVID-19), as it continued to spread globally. As such, a national state of emergency was declared, and Pinellas County followed with a declaration of local state of emergency on March 13, 2020. With potential impacts of the pandemic greatly exceeding local response resources, these community costs were not accounted for in the approved budget. In response to the economic impact of “social distancing” and “safer at home” measures implemented by federal, state, and local governments, Congress enacted the “Coronavirus Aid, Relief, and Economic Security Act”, also known as the “CARES Act.”

The CARES Act provides financial support to citizens, businesses, and local governments to lessen the economic impacts of the state of emergency. On April 16, 2020, the Pinellas County Board of County Commissioners (Board) passed a resolution to design an expanded assistance program for individuals and families that were directly impacted by loss of income due to the COVID-19 health emergency. This program, “***Pinellas CARES Financial Assistance***”, leverages established infrastructure to efficiently and effectively distribute financial assistance, in accordance with the CARES Act and the procedures contained herein to eligible adults. This program is offered on a first come, first served basis as funding is made available. This program is not a business assistance program and does not cover items otherwise covered by insurance or reimbursed under other federal programs.

III. PROCEDURES

Pinellas CARES Financial Assistance is administered through an agreement with 211. Staff will answer calls for this program Monday through Friday from 7:30am to 6:00pm. If a holiday falls on a weekday, the program will operate the same hours.

211 will maintain screening and eligibility information within their call center database for review and audit by the County. 211 will maintain a full, separate accounting of all dispersed funds associated with each instance of assistance. All dispersed funds will be reconciled to 211 bank statements on a monthly basis or more frequently as required by the County.

- A. Initial Screening: When an individual contacts 211 for Pinellas CARES Financial Assistance, 211 call center specialists will conduct a brief interview and/or coordinate screening information and documentation by text to assess the client's needs. (Note: 211 staff and volunteers are trained on the Agency's conflict of interest policy which prohibits staff from assisting family or friends.) The information provided by an applicant may be evaluated for accuracy. Any false information provided or multiple inconsistencies in documentation may be grounds for denial or ineligibility for future assistance.
 1. 211 staff will obtain demographic information, documentation required to determine eligibility, details on the emergency need, amount of request, vendor details, payment method, and other information and enter this information into the call center database.
 2. 211 staff will coordinate appropriate referrals to additional community programs and services during initial screening.

- B. Eligibility Verification: 211 staff is responsible for ensuring all documentation necessary for verification, processing, and approval of request is collected. Failure of an applicant to provide any information or additional contact within seven (7) days of the initial request may result in closure of the pending case. Cases with continued contact and document submission by an applicant will remain in pending status if funding remains available. Please note that this program has a limited amount of funding available and no further applications may be completed or processed once funds are exhausted.
 1. 211 staff is responsible for obtaining and scanning all documentation into their database to verify citizenship, residency, income, identification, qualifying emergency event, and need prior to submitting any request for payment for eligible items.
 2. All approvals and denials are recorded in database.

- C. Approval Process: All requests for approval are handled once all required documentation is received and eligibility is confirmed.
 1. Requests for assistance at \$3,000.00 and above are transmitted electronically to the 211 Executive Director and Pinellas County Human Services Director or designee for joint approval when all other eligibility documentation has been submitted.
 - a. When necessary, urgent items should be paid immediately upon receiving sufficient documentation (immediate health/safety needs, utility shut-offs, evictions) while items which may take longer to complete may be submitted separately.
 - b. The Level 3 approval process would continue to apply to items and bundles \$3,000.00 and above.

2. If a request is DENIED, 211 staff will contact the applicant directly within 2 business days and notify them of the reason for denial and provide other referrals or resources, as available.

D. Payment Process:

1. Online payments of approved items are made directly to the vendor using purchasing cards issued in the 211 call center specialists' name. If the vendor cannot be paid or the item cannot be purchased online, a check request is submitted for payment directly to the vendor. 211 processes check requests two times weekly. In rare instances, a restricted debit card may be provided directly to the client for the approved amount. All cards are time limited and must be returned to 211 with receipts within seven days.
2. 211 staff is responsible for tracking and reporting call center data, client demographic, eligibility and expenditure data, performance measures and outcomes. Most of this information will be reported from their database. Human Services will have direct access to the 211 database for ad-hoc reports as needed.

 - a. This invoice will be submitted concurrently with invoices from any other operations contracts between 211 and the County by the fifteenth (15th) of the month for the prior month's expenses.
 - b. All requests for reimbursement will consist of a cover letter signed by an authorized Agency representative and will include supporting documentation including invoices, receipts, pay stubs, training logs and any other documentation to verify the expenditures.
 - c. Invoices are reviewed and reconciled by Human Services prior to approval for payment.
4. A portion of the funding for the Pinellas CARES Financial Assistance pool will be advanced to 211 and will be held in a separate bank account.
 - a. A separate invoice will be submitted for the assistance pool, and will consist of a cover letter signed by an authorized Agency representative, supporting documentation with detailed client specific data and receipts to justify eligibility and expenditures and any repeat requests, a copy of the monthly bank account statement for the bank account in which the pool is held, and a report of the director-approved exception expenditures for the month. Backup documentation may be submitted electronically in a secure manner.
 - b. Specifically for rent requests: in addition to the proof of emergency need and copy of a lease, 211 will also submit a copy of the vendor's W-9 form and the cancelled check signed by the vendor with the monthly invoice for reconciliation.

 - ii. For any Director-approved payments, an email of each Director's approval shall be attached to the client backup documentation.
 - c. Any supporting documentation submitted by a client MUST have the client's name visible and legible on the document.
5. Upon reconciliation and approval of the monthly or semi-monthly invoice for the Pinellas CARES Financial Assistance pool, the County will reimburse 211 for expenditures until the entire assistance pool contracted amount is reached. 211 will then continue to submit separate monthly invoices but will draw down against

the assistance pool until it is extinguished, or the term of the contract is reached. In the event that funds remain in the Pinellas CARES Financial Assistance pool at the end of the program or contract term, the remainder shall be remitted to the County with thirty (30) days of final reconciliation.

 2. Fraudulent Concerns:
