Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

Human Services is requesting the approval of these funding recommendations by the Social Action Funding Advisory Board (SAFAB) for the Fiscal Year 2024 (FY24) Social Action Grant Funding Agreements with up to nineteen (19) community agencies, and delegation of authority to the County Administrator to sign all associated agreements and documentation.

Social Action Grants are available to qualified non-profit social service organizations desiring to provide services to homeless and low-income residents of Pinellas County to address their health, economic and social well-being. Pinellas County Human Services administered a competitive, online application process for Social Action Funding through Neighborly Software. The grant solicitation was posted on May 15, 2023, and a standard application form was used to promote effective review and scoring.

An amount not to exceed \$1,706,100.00 in funding is allocated in the Human Services FY 24 anticipated budget. Due to demonstrated community need and continued high interest in Social Action Funding, an additional 10% in the amount of \$155,100.00 was requested and approved as a Decision Package for FY24.
