Description & Comments			
(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)			
<p>This item requests approval to submit Hazard Mitigation Grant Program (HMGP) applications to the Florida Division of Emergency Management (FDEM) for grant funding in the amount of \$33,752,943.00 with a required match of \$11,250,982.00, to fund three stormwater mitigation projects. Execution of the required Authorizing Agent Approval forms for these applications is requested as well.</p> <p>The three stormwater mitigation projects requesting funding are programmed in the Proposed FY26-FY31 Capital Improvement Plan, and includes the match requirement for each project.</p> <ul style="list-style-type: none">• Cross Bayou Improvements (project phase 1 002124A and project phase 2 002124B) - Requested amount \$4,120,000.00, required match \$1,373,344.00 funded through Resilient Florida funds. Resilient Florida grant is awarded with agreement execution in progress.• Baypointe Stormwater Conservation Area (project 003435A) - Requested amount \$16,267,943.00, required match \$5,422,648.00 funded through EPA Community Grant Appropriations and Local Infrastructure Sales Tax (Penny for Pinellas). EPA grant is awarded with agreement execution in progress.• Joe's Creek 34th St. Culvert (project 006792A) - Requested amount \$13,365,000.00, required match \$4,455,000.00 to be funded through Local Infrastructure Sales Tax (Penny for Pinellas) funds. Joe's Creek 34th St. Culvert is a new project requested for FY26. <p>Additional Action Requested – Re-execution of the Authorizing Agent Approval form is needed to align with the current disaster (Helene and Milton) for traffic signal cabinet improvements, originally submitted under Hurricane Debby with Legistar item 25-0597A.</p>
