

AGREEMENT FOR "PIGGYBACK" PURCHASE

Contract Ref. #24-0226-PB Vehicle and Equipment Replacement

This Agreement ("Agreement") is entered into on the date last executed below ("Effective Date"), by and between Pinellas County, a subdivision of the State of Florida whose primary address is 315 Court Street, Clearwater, Florida 33756 ("County") and Sun State International LLC whose primary address is 6020 Adamo Drive, Tampa, FL 33619 ("Contractor") (jointly, the "Parties").

WHEREAS, the County is authorized to procure goods and services based on the contract terms and pricing received by other governmental competitive solicitation processes which are made available to local public procurement units; and

WHEREAS, following a competitive procurement process, Florida Sheriffs Association, entered into Agreement FSA23-VEH21.0 for Pursuit, Administrative and Other Vehicles, effective October 1, 2023 (the "Florida Sheriffs Association Agreement"); and

WHEREAS, the County has elected to utilize resulting contract terms and pricing of the cooperative procurement or solicitation as reflected in the Florida Sheriffs Association Agreement; and

WHEREAS, Contractor represents that it has the experience and expertise to provide the Goods and Services as set forth in this Agreement.

NOW THEREFORE, the Parties agree as follows:

- A. **Documents Comprising Agreement.** The Agreement consists of this document and the Florida Sheriffs Association Agreement. All terms and conditions of the Florida Sheriffs Association Agreement, including any amendments, are incorporated herein as if set forth in full, except as modified herein. If there is a conflict between this document and the Florida Sheriffs Association Agreement, this document will prevail.
- B. **Term.** This initial term of this Agreement is effective from the Effective Date through 9/30/2024. The parties may extend this agreement in conjunction with any extensions made to the cooperative procurement by a mutually agreed upon written amendment to this Agreement. If the parties desire to extend past the expiration date of the Sourcewell Agreement, the parties may do so by entering into a mutually agreed upon written amendment to this Agreement. The Agreement will not automatically renew.
- C. **Expenditures Cap.** County expenditures under the Agreement will not exceed \$1,464,579.60 for the Contract term without a written amendment.
- D. **Specifications/Price Schedule** – Attached as Exhibit A
- E. **Modifications to the Florida Sheriffs Association Agreement.**
 1. **The County as the Contracting Party.** All references within the Florida Sheriffs Association Agreement to the Florida Sheriffs Association will be interpreted as pertaining to the County. It is understood that wherever the words "FSA," or "FSA CPP," or other references to the Florida Sheriffs Association appear in the Florida Sheriffs Association Agreement, they shall be read as "Pinellas County." Any term in the Florida Sheriffs Association Agreement that is applicable in law or fact solely to the Florida Sheriffs Association that cannot be reasonably applied to the County is severed from the Agreement, with no effect on the remaining terms.

2. **Paragraph 1.04 (Jurisdiction)** is revised to state that this Agreement and any and all purchases made hereunder shall be governed by and construed in accordance with the laws of the State of Florida (without regard to principles of conflicts of laws). The Parties agree that all actions or proceedings arising in connection with this Agreement shall be tried and litigated exclusively in the state or federal (if permitted by law and a Party elects to file an action in federal court) courts located in or for Pinellas County, Florida. This choice of venue is intended by the Parties to be mandatory and not permissive in nature, and to preclude the possibility of litigation between the Parties with respect to, or arising out of, this Agreement in any jurisdiction other than that specified in this section. Each Party waives any right it may have to assert the doctrine of forum non-conveniens or similar doctrine or to object to venue with respect to any proceeding brought in accordance with this section.
 3. **Paragraph 1.03 (Term of Contract)** is revised to clarify that, as between the County and Contractor, the “Effective Date” is the date listed above. Should the FLORIDA SHERIFFS ASSOCIATION AGREEMENT terminate before the end of the term of the Agreement between the County and Contractor, all applicable terms of the conditions of the FLORIDA SHERIFFS ASSOCIATION AGREEMENT incorporated herein will remain in full force and effect.
- F. **Non-Exclusive Agreement.** Entering into an Agreement imposes no obligation on the COUNTY to utilize the CONTRACTOR for all goods and/or services of the type contracted for which may develop during the agreement period. All agreements are non-exclusive. During the term of any Agreement the COUNTY reserves the right to contract with another provider for similar goods and/or services as it determines necessary in its sole discretion.
- G. **Independent CONTRACTOR Status and Compliance with the Immigration Reform and Control Act.** CONTRACTOR is and will remain an independent contractor and is neither agent, employee, partner, nor joint venturer of COUNTY. CONTRACTOR acknowledges that it is responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 located at 8 U.S.C. 1324, et seq, and regulations relating thereto, as either may be amended from time to time. Failure to comply with the above provisions will be considered a material breach of the Agreement.
- H. **Termination for Convenience.** Notwithstanding any other provision herein, the County may terminate this Agreement, without cause, by giving 30 days advance written notice to the Contractor of its election to terminate this Agreement pursuant to this provision.
- I. **Conflict of Interest.** The CONTRACTOR represents that it presently has no interest and will acquire no interest, either direct or indirect, which would conflict in any manner with the performance of the Services required hereunder, and that no person having any such interest will be employed by CONTRACTOR during the agreement term and any extensions. The CONTRACTOR must promptly notify the COUNTY in writing of any business association, interest, or other circumstance which constitutes a conflict of interest as provided herein. If the CONTRACTOR is in doubt as to whether a prospective business association, interest, or other circumstance constitutes a conflict of interest, the Contract may identify the prospective business association, interest or circumstance, the nature of work that the CONTRACTOR may undertake and request an opinion from CONTRACTOR’s legal counsel, at CONTRACTOR’s sole expense, as to whether the business association, interest or circumstance constitutes a conflict of interest if entered into by the CONTRACTOR.

- J. **Confidential Information and Public Records.**
1. **County Confidential Information** - Contractor shall not disclose to any third party County Confidential Information that Contractor, through its Contractor Personnel, has access to or has received from the County pursuant to its performance of Services pursuant to the Agreement, unless approved in writing by the County Contract Manager. All such County Confidential Information will be held in trust and confidence from the date of disclosure by the County, and discussions involving such County Confidential Information shall be limited to Contractor Personnel as is necessary to complete the Services.
 2. **Contractor Confidential Information** - All Contractor Confidential Information received by the County from Contractor will be held in trust and confidence from the date of disclosure by Contractor and discussions involving such Contractor Confidential Information shall be limited to the members of the County's staff and the County's subcontractors who require such information in the performance of this Agreement. The County acknowledges and agrees to respect the copyrights, registrations, trade secrets and other proprietary rights of Contractor in the Contractor Confidential Information during and after the term of the Agreement and shall at all times maintain the confidentiality of the Contractor Confidential Information provided to the County, subject to federal law and the laws of the State of Florida related to public records disclosure.  3. **Audit.** The COUNTY reserves the right to conduct an audit of the CONTRACTOR's records related to this Agreement and any Products or Services provided hereunder, pursuant to Pinellas County Code, Chapter 2. The CONTRACTOR must retain any such records for five (5) years following Contract completion and must provide the COUNTY or their authorized representatives complete access to such records for audit purposes during the term of the Agreement and for five (5) years following Agreement completion. This provision does not entitle COUNTY to audit any records that are not related to the Agreement.
 4. **Confidential Records & Information.** Each party will maintain as confidential any Confidential Records & Information, to the extent authorized by Federal and Florida law. Access to Confidential Records & Information will be limited by the Parties to only those employees or agents that must have access to comply with the terms of the Agreement.
 5. **Cooperation with the Inspector General.** CONTRACTOR will fully cooperate with the Pinellas County Clerk of the Circuit Court's Inspector General in any investigation, audit, inspection, review, or hearing initiated by the Inspector General on behalf of the COUNTY that is associated with the administration or performance of the Agreement, including but not limited to providing timely access to records, authorizing interviews of CONTRACTOR agents or employees, and responding to requests for information. CONTRACTOR will include and enforce this requirement in any subcontractor agreement.
 6. **Public Records.** CONTRACTOR acknowledges that information and data it manages in relation to the Agreement may be public records in accordance with Chapter 119, Florida Statutes. CONTRACTOR agrees that prior to providing Services it will implement policies and procedures to maintain, produce, secure, and retain public records in accordance with applicable laws and regulations, including but not limited to Section 119.0701, Florida Statutes. Notwithstanding any other provision of this Agreement relating to compensation, the CONTRACTOR agrees to charge the COUNTY, and/or any third parties requesting public records only such fees allowed by Section 119.07, Florida Statutes, and County policy for locating and producing public records during the term of this Agreement. A CONTRACTOR who fails to provide the public records to the public

agency within a reasonable time may be subject to penalties under s. 119.10. Upon request from the COUNTY's custodian of public records, CONTRACTOR will provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. CONTRACTOR will ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the CONTRACTOR does not transfer the records to the COUNTY. Upon completion of the contract, the CONTRACTOR will transfer to the COUNTY, at no cost, all public records in possession of the CONTRACTOR, or will keep and maintain public records as required by law. If the CONTRACTOR transfers all public records to the COUNTY upon completion of the contract, the CONTRACTOR will destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the CONTRACTOR keeps and maintains public records upon completion of the contract, the CONTRACTOR will meet all applicable requirements for retaining public records. All records stored electronically must be provided to the COUNTY, upon request from the COUNTY's custodian of public records, in a format that is compatible with the information technology systems of the COUNTY.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, ADMINISTRATIVE SERVICES, AT (727) 464-3341, clerkinfo@mypinellasclerk.org ATTN: PUBLIC RECORDS LIASON 315 COURT STREET, 4TH FLOOR, ROOM 400, CLEARWATER, FL 33756

M. DISPUTE RESOLUTION FOR PINELLAS COUNTY BOARD OF COUNTY COMMISSIONERS IN MATTERS OF INVOICE PAYMENTS:

Payment of invoices for work performed for Pinellas COUNTY Board of COUNTY Commissioners (COUNTY) is made, by standard, in arrears in accordance with Section 218.70, et. seq., Florida Statutes, the Local Government Prompt Payment Act.

If a dispute should arise as a result of non. payment of a payment request or invoice the following Dispute Resolution process will apply:

1. Pinellas COUNTY will notify a vendor in writing within 10 days of receipt of an improper invoice. The notice will indicate what steps the vendor should undertake to correct the invoice and resubmit a proper invoice to the COUNTY. Such steps should include requiring the vendor to contact the requesting department to validate the invoice and receive a sign off from that entity that would indicate that the invoice in question is in compliance with the terms and conditions of the Agreement, and then resubmitting the invoice as a "Corrected Invoice" to the requesting department to initiate the payment timeline.
 - B. Requesting department for this purpose is defined as the COUNTY department for which the work is performed or to which goods are provided.
 - C. Proper invoice for this purpose is defined as an invoice submitted for work performed that meets prior agreed upon terms or conditions to the satisfaction of Pinellas COUNTY.
2. Should a dispute result between the vendor and the COUNTY about payment of a payment request or an invoice then the vendor should submit their dissatisfaction in writing to the Requesting Department. Each Requesting Department will assign a representative who will act as a "Dispute Manager" to resolve the issue at departmental level.
3. The Dispute Manager will first initiate procedures to investigate the dispute and document the steps taken to resolve the issue in accordance with section 218.76 Florida Statutes. Such procedures must be commenced no later than 30 days after the date on which the payment request or invoice was received by Pinellas COUNTY and will not extend beyond 45 days after the date on which the payment request or invoice was received by Pinellas COUNTY.

4. The Dispute Manager should investigate and ascertain that the work, for which the payment request or invoice has been submitted, was performed to Pinellas COUNTY's satisfaction and duly accepted by the Proper Authority. Proper Authority for this purpose is defined as the Pinellas COUNTY representative who is designated as the approving authority for the work performed in the contractual document. The Dispute Manager will perform the required investigation and arrive at a solution before or at the 45-day timeframe for resolution of the dispute, per section 218.76, Florida Statutes. The COUNTY Administrator or his or her designee will be the final arbiter in resolving the issue before it becomes a legal matter. The COUNTY Administrator or his or her designee will issue their decision in writing.
5. Pinellas COUNTY Dispute Resolution Procedures will not be subject to Chapter 120 of the Florida Statutes. The procedures will also, per section 218.76, Florida Statutes, not be intended as an administrative proceeding which would prohibit a court from ruling again on any action resulting from the dispute.
6. Should the dispute be resolved in the COUNTY's favor interest charges begin to accrue 15 days after the final decision made by the COUNTY. Should the dispute be resolved in the vendor's favor the COUNTY will pay interest as of the original date the payment was due.
7. For any legal action to recover any fees due because of the application of sections 218.70 et. seq., Florida Statutes, an award will be made to cover court costs and reasonable attorney fees, including those fees incurred as a result of an appeal, to the prevailing party. If it is found that the non-prevailing party held back any payment that was the reason for the dispute without having any reasonable lawful basis or fact to dispute the prevailing party's claim to those amounts.

N. Notices

Any notice or written communication pursuant to the terms of this Agreement must be delivered in person, by Certified Mail, Return Receipt Requested or private carrier express mail, or emailed to the person or persons designated in the Agreement. Notice will be deemed to have been given on the date shown on the return receipt, or date of actual delivery, whichever is earlier. Either designated recipient will notify the other, in writing, if someone else is designated to receive notice.

O. Acceptance of Deliverables

For all deliverables under the Agreement that require formal acceptance by the COUNTY, the COUNTY will have 10 calendar days to review the deliverable(s) after receipt or completion of same by CONTRACTOR, and either accept or reject the deliverable(s) by written notice specifying any required changes, deficiencies, and/or additions necessary. CONTRACTOR will then have 7 calendar days to revise the deliverable(s) to resubmit and/or complete the deliverable(s) for review and approval by the COUNTY, which will then have 7 calendar days to review and approve, or reject the deliverable(s); provided however, that CONTRACTOR will not be responsible for any delays in the overall project schedule that result from the COUNTY's failure to timely approve or reject deliverable(s) as provided herein. The County will acknowledge final acceptance of the deliverable(s) in writing.
